STUDENT COUNCIL

Over the past 10 months, Harry Ainlay Titans have truly had the opportunity to "Go For It" in all ways possible. I have been honoured to serve the school as the Student Council President of 2012-2013. This year the events that were organized did a wonderful job at uniting the students and raising spirit to make every day school more fun! From the multiple themed days to the intense Dodgeball Tournament, each activity was unique and made memorable by everyone who participated in these events. By returning traditional events such as Musical Chairs, Balloon Pop, Scary Ainlay and Holiday Week, the students were able to pump up the energy in the school with their nonstop excitement and anticipation.

This year, Harry Ainlay was introduced to a new Titan tradition: Bullying Awareness Day in February. This spectacular event was the culmination of a week of workshops with motivational speaker, Phil Boyte, and saw every Titan in the school join in to take a stand against bullying.

This year has flown by faster than most as Titans got involved in the school and in the community. It was filled with great memories inspired by the students and staff to encourage each and every individual to truly go for every opportunity and to achieve "In Omnibus Excelsior", In All Things Excellence.

STUDENT COUNCIL ACTIVITIES

Student Council 2012-2013 had one main goal this year, and that was for every student to find some way to get involved in the school. We wanted everyone to embrace this year's theme, and find some way to "Go For It!", whatever 'it' was for them! We kicked off the year with some Ainlay traditions that our students have come to know and love: the classic Musical Chairs battle and the annual Welcome Back Barbeque. As first semester sped by, the students enjoyed watching a comeback of our Scary Ainlay events: Monster Mash, Donut Eating, and the much-anticipated yearly Halloween Costume Contest! November was a month of fierce competition with our Annual Dodgeball Tournament where the underdogs, Scooby Crew, dominated over the Michael Phelps Swim Team. Our much-loved Holiday Week activities started off with Bingo and continued with Hot Chocolate and Cookie Decorating. Winter break flew by and with exams approaching, what better way for our Titans to relax than by watching some cartoons in our pyjamas and eating some cereal? After Pyjama Day, exams came and went, and to celebrate the start of a new semester we brought out the ice cream for BYOB - Bring Your Own BANANA! Students who brought a banana received a delicious banana split!

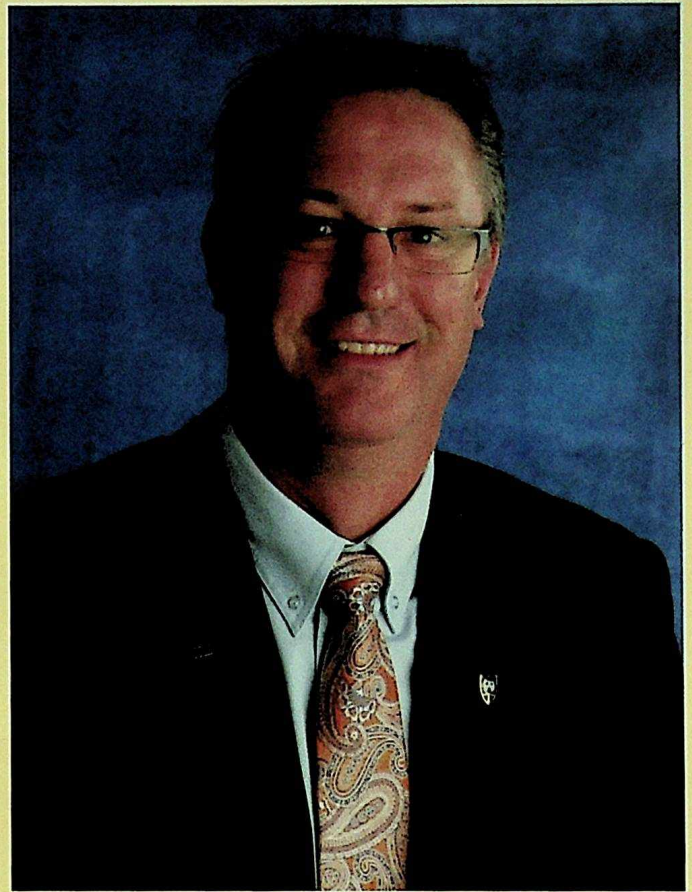

As is always the case, second semester was gone in the blink of an eye and with it went our awesome events like Root Beer Float Day and the 24 hour city-wide Photo Hunt. This year we also started a new tradition with our first annual Bullying Awareness Day. During the week leading up to it, we had our awesome guest speaker, Phil Boyte, and then on Valentine's Day we wore pink to spread awareness about bullying and also enjoyed some yummy Flirt cupcakes and pink lemonade! And what better way to end a fantastic year than with yummy drinks and an entertaining limbo contest? For Aloha Ainlay, the drinks were on us, and Ainlay enjoyed delicious pina colada's, strawberry daiquiris, and fresh fruit kabobs while dressed up in colourful Hawaiian clothing. Besides all the fun we had inside the school planning events for our student body, we also had a great time impacting our community with events like our McKee Winter Celebration and our Blood Donor Drive. Through these events we were able to reach out to younger students in our nearby community, and impact the lives of people we've never met by giving blood and having a great time doing it together as a school! This year has been one we know we'll never forget. There were so many great experiences and memories that were made, and we know that our fellow Titans won't forget it soon either. We've all helped to make Ainlay a great place to be.

HARRY AINLAY STAFF

Good evening parents, staff, guests, and of course all of my fellow graduands of 2013. My name is Ramita Verma and I have been honored to serve as the Student Council President this year. Our three years of high school have been a unique journey for each and every one of us. Through our struggles and triumphs we have found comfort in each other as well as in our teachers who have mentored us so closely throughout this journey. The wonderful staff at Harry Ainlay has influenced each student in this room today by offering guidance, knowledge, and wisdom to help prepare us for the world outside of high school. I am confident that most of us in here have felt the pain of piles of homework and agonizing exams and although none of these are very pleasant in the moment, the teachers at Harry Ainlay have done this to prepare us for the real world. It is expected that teachers will instruct and deliver the course curriculum, but here at Harry Ainlay the entire staff goes over and above simply meeting these requirements. The various teacher advisors for clubs and executive committees have all nurtured us to become better leaders for the world; the coaches for the sports teams have trained us to become elite athletes; the fine arts teachers have ensured that we excel in drama, dance, music, and art; the CTS teachers have taught us practical, real world skills, and the support staff has made sure that our experiences at Harry Ainlay are smooth and they are always there to assist us when needed. The administration, counselors, teachers, advisors, coaches, custodians, and support staff have always supported us as students and learners. Because of the staff at Harry Ainlay, each person here has had the opportunity to grow as an individual and enjoy the high school experience to its fullest. When we look back on our memories from high school, we're not going to remember the tests and assignments as vividly as we will remember the people who made these years *momentous*. The staff at Harry Ainlay has always been supportive and I, on behalf of the graduating class of 2013, would like to thank you for your hard work and ongoing commitment to us students. It takes someone with real bravery and strength to dedicate an entire career to enriching high school teenagers, but the staff has done an impeccable job over the last three years. Thank you for teaching us in the classroom, thank you for teaching us life lessons, thank you for treating us with respect and dignity, and thank you for your dedication to us. On that note, I would like to ask everyone to rise, raise your glasses and join me in thanking our unbelievable staff at Harry Ainlay. Merci beaucoup and thank you!

EXCELLENCE IN TEACHING

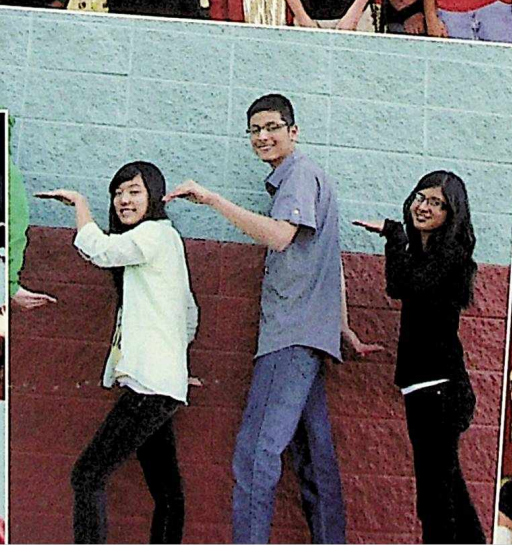

This year, our very own, Mr. Y. Jean-Proulx, won two of the teaching profession's highest awards. He received the Alberta Excellence in Teaching Award which recognizes outstanding teachers who are innovative and creative in their approach to fostering an atmosphere of passion for learning in the classroom. As one of only 34 other Canadians, Mr. Jean-Proulx won the very distinguished Prime Minister's Award for Teaching Excellence. It is with great honour and respect that the students and staff of Harry Ainlay say, "Thank you Mr. Jean-Proulx for your dedication, skill, and commitment to the art of teaching and inspiring both students and colleagues." CORE SUBJECTS

By definition, studying 'core subjects' means getting to the heart of the matter, and isn't that what we're supposed to do in High School? We spend three years in English, Social Studies, Math, and the Sciences trying to discover what is really important in life. It's not the grammar, or the dates, or the formulas - it's learning to question, to discover, and to grow. After three years of exploring the core subjects we find a better way of understanding what matters: friends and family; wisdom and will; health and harmony.

INTERNATIONAL BACCALAUREATE

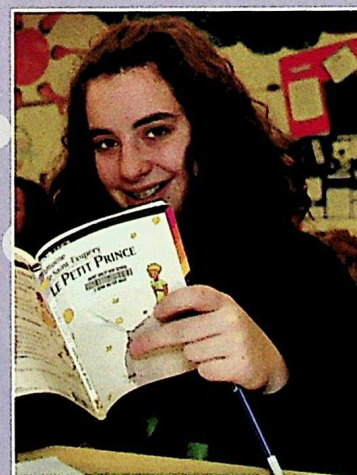

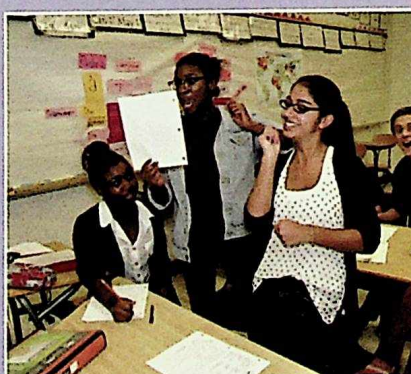

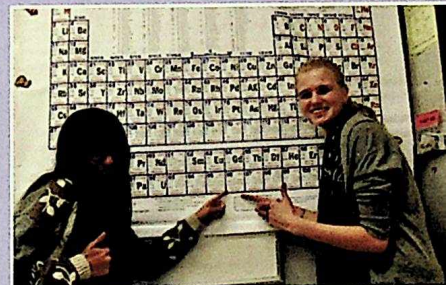

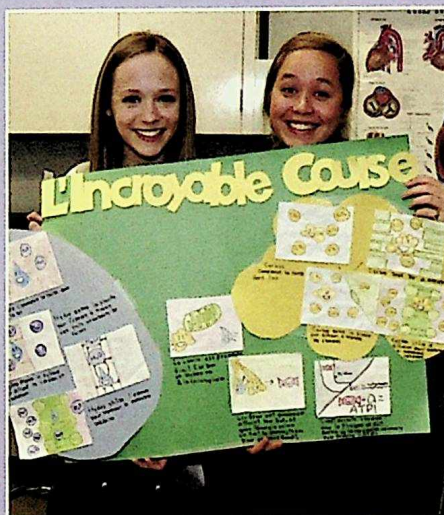

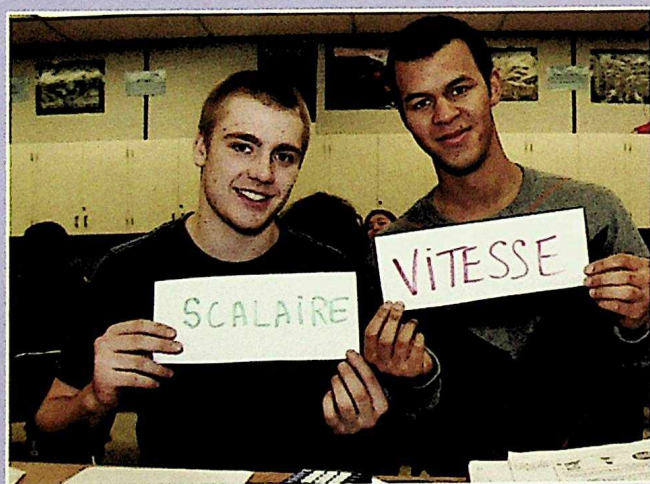

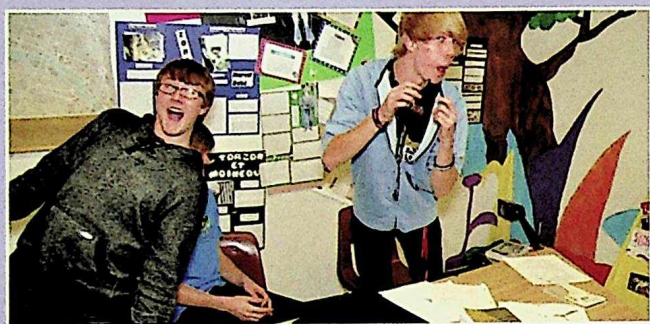

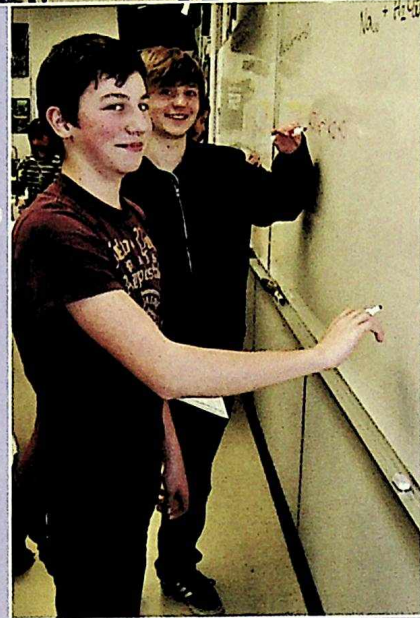

The International Baccalaureate program, which has been offered at Harry Ainlay since 1984, is an academic enrichment program that emphasizes the development of the whole person. Students who choose IB do so because they embrace learning and are interested in challenging themselves by undertaking a course of study that requires critical and creative thinking skills, open-mindedness, risk-taking, and intellectual curiosity. The program offers students an opportunity to study an internationally-focused curriculum of increased depth and breadth which prepares them for success at post-secondary and beyond.

Students in IB experience a dynamic classroom environment, led by dedicated and creative teachers who seek to deliver high quality learning experiences. Harry Ainlay IB students recognize that they are not just participants in a program; instead, they know that they are committed members of a community who want to better themselves, and by doing so, perhaps better the world.

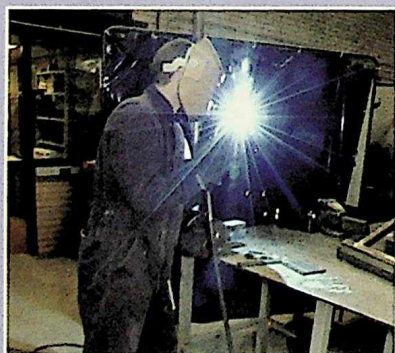

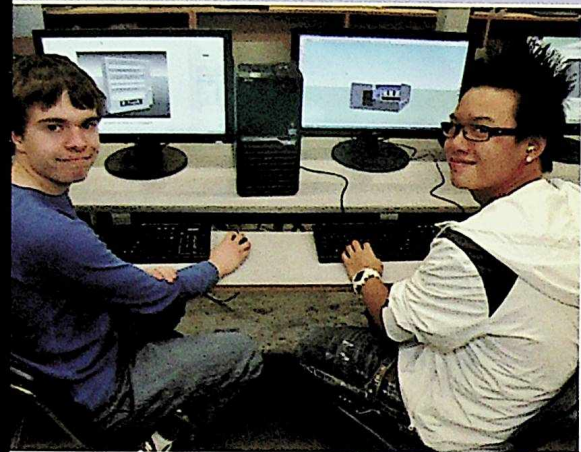

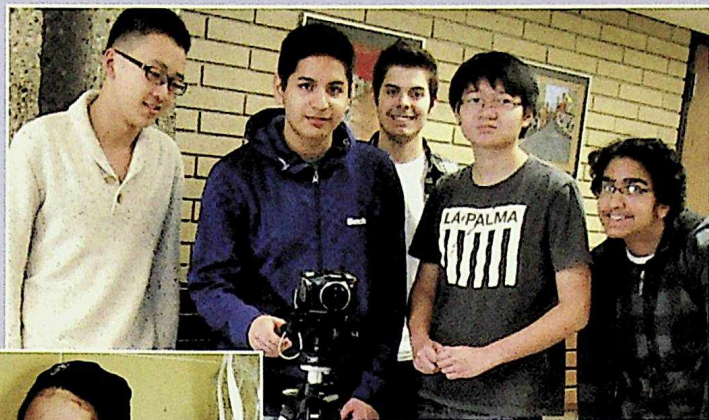

FRENCH IMMERSION

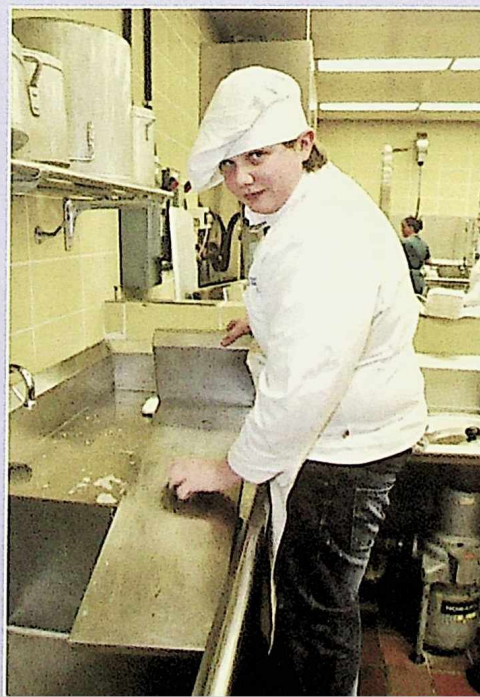

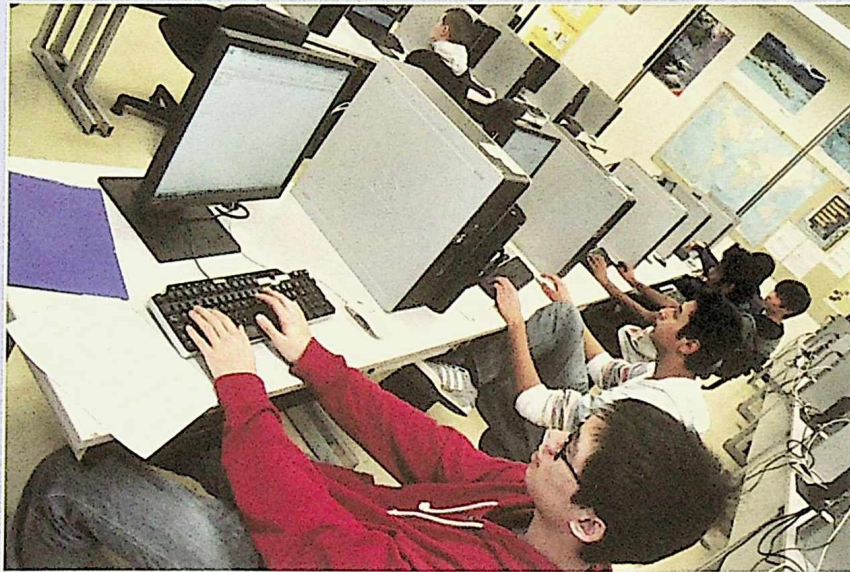

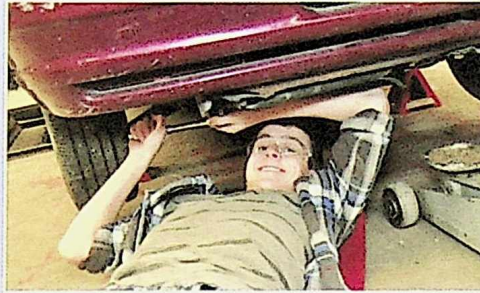

C'est maintenant la fin de vos études secondaires! Vous avez pu manger de la tire à Fort Edmonton (Franco 7), passer le DELF/DALF, aller en France, visionner les films De père en flic et Le sens de l'humour dans le théâtre et lire Zone, La neige en deuil, Tit-Coq et Le Petit Prince. Vous avez fait des expériences hautement scientifiques à Galaxyland en physique 20 et bien sûr, vous vous êtes bien amusés à votre célébration de la collation des grades! Vous avez été très occupés! Que de bons souvenirs!h

CAREER & TECHNOLOGY STUDIES

CTS offered some very cool classes this year: Automotives, Building Construction, Communication Technology, Cosmetology, Computer Studies, Culinary Arts, Design Studies, Fabrication Studies, Fashion Studies, and Foods. These courses blend theory with practical application which is an interesting way to play with knowledge. We welded, cooked, made t-shirts, took photographs, sewed dresses, designed a house well you get the idea. Bottom line is that we had fun learning.

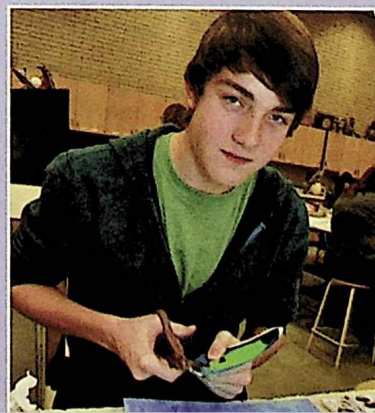

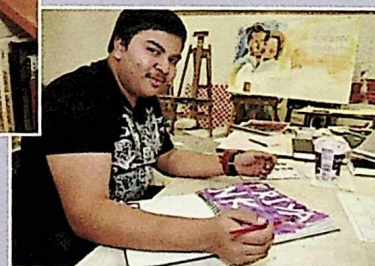

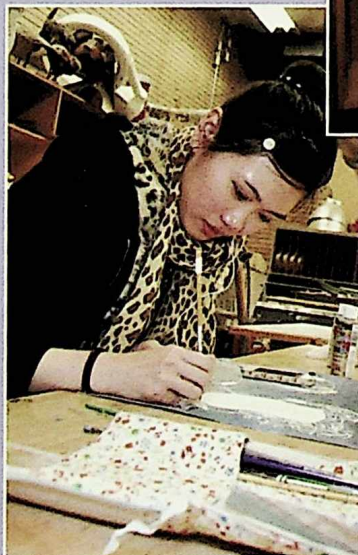

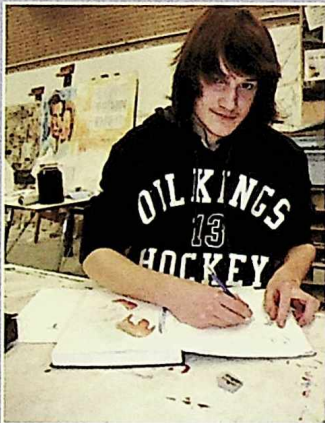

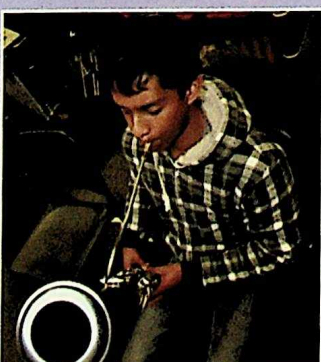

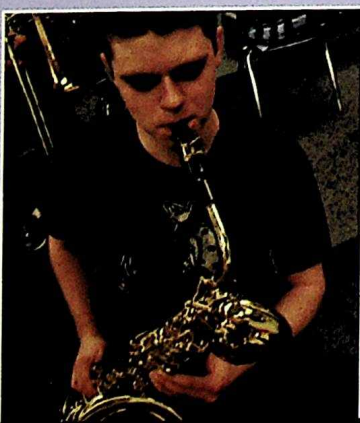

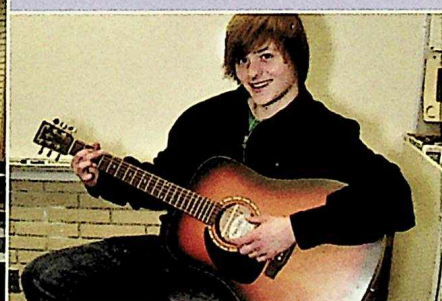

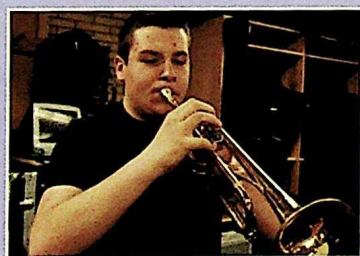

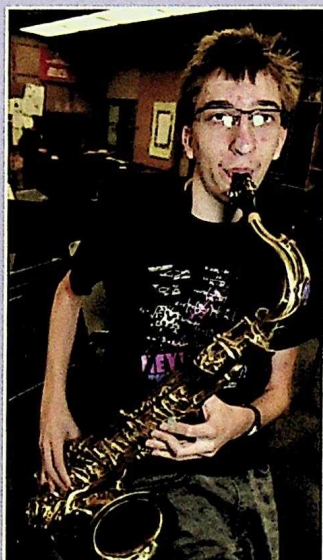

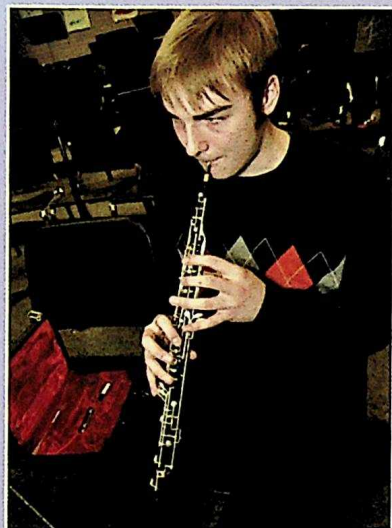

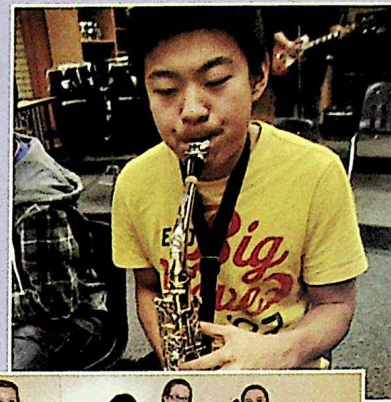

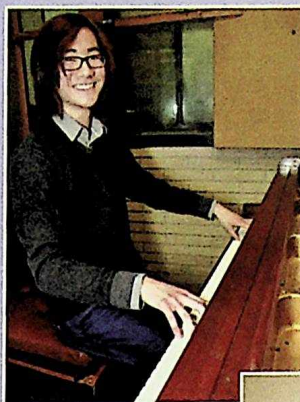

ART CLASS

Imagination! Perception! Design! These are three key words that are essential in art. Students in art put these words into practice to create drawings, paintings, sculptures and an assorted number of mixed-media works. Stop by the art room any time, and you will see an active classroom with students mixing paints, drawing with charcoal, and sitting there wondering how they are going to incorporate a hub cap into their artwork. You will definitely walk out with your imagination stretched. Better yet, walk back in, pick up a paint brush, and see what you can create. Wow! You really have talent!

MUSIC PROGRAM

Ainlay has a long tradition of fostering the talents of our student musicians to improve their technique and to ignite their passion for music. First thing in the morning, during classes, at lunch, and after school you can hear the sounds of music and singing drifting out into the hallways as our music students practice, play, and sing their tunes. No matter what your musical tastes, Ainlay has a course for you: Symphonic Band, Concert Band, Concert Choir, Classical Guitar, Jazz Choir, and Jazz Band. Okay! Give me a little bass on those 88's!

DRAMA

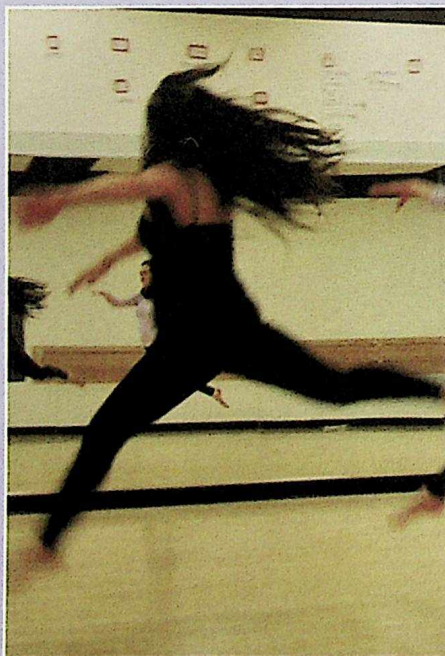

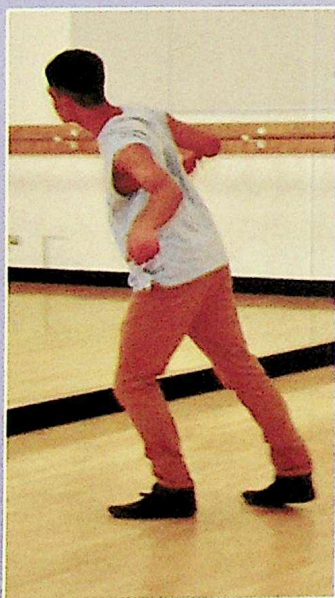

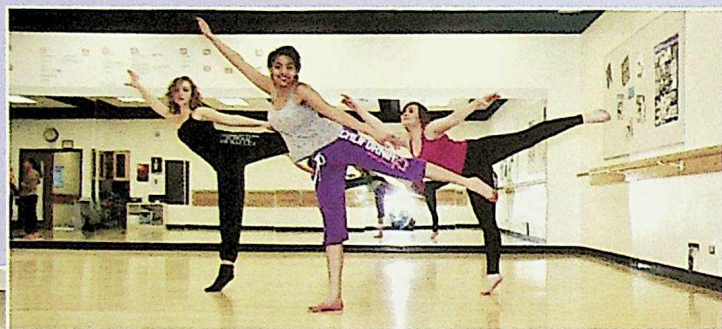

2013 - All the world's a stage, and all men and women merely players. We all have our exits and entrances. Well, As You Like It, at Ainlay there are many opportunities for students to hone their skills acting on stage or working behind the scenes, cuing lights and sounds, with the tech crew. Musical Theatre, Drama classes, One Act Festivals, and the annual main stage production are all just waiting for you to say, "Yes, I can!" Opportunities are also available for writing and directing. As a team, actors, stage managers, tech crew, and directors all pull together to put on major shows, plays, and festivals. Make your grand entrance and sign up for classes or to audition for a role; everyone is welcome to vie for a wonderful theatrical experience.

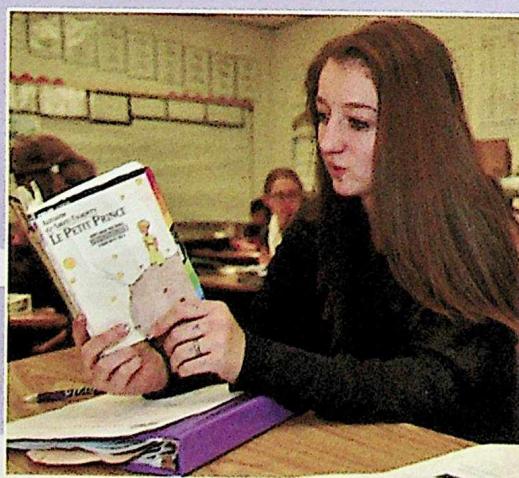

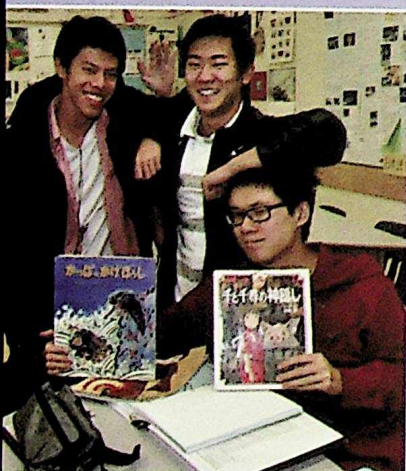

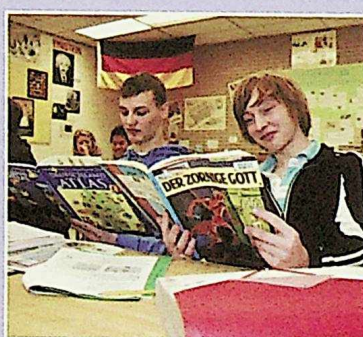

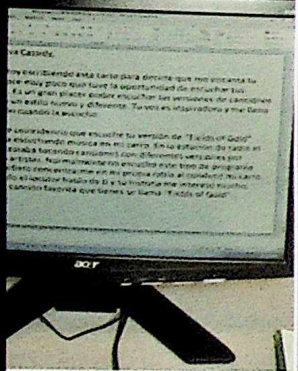

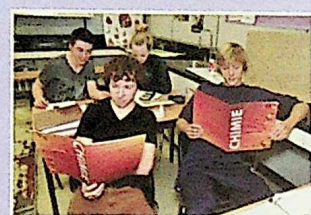

DANCE

At Harry Ainlay, students in the dance program get to delve into a variety of dance styles including: ballet, tap, jazz, modern, and folk. They also get the opportunity to create their own pieces and experience the choreography side of dance. Dancers at Ainlay get the opportunity to learn new dance skills, or add to their already knowledgeable background. Whatever level of dance our students are at, they all develop strength, flexibility, and confidence as dancers and performers.

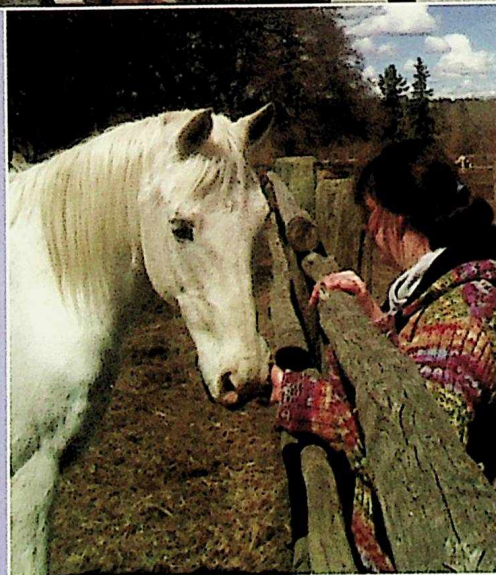

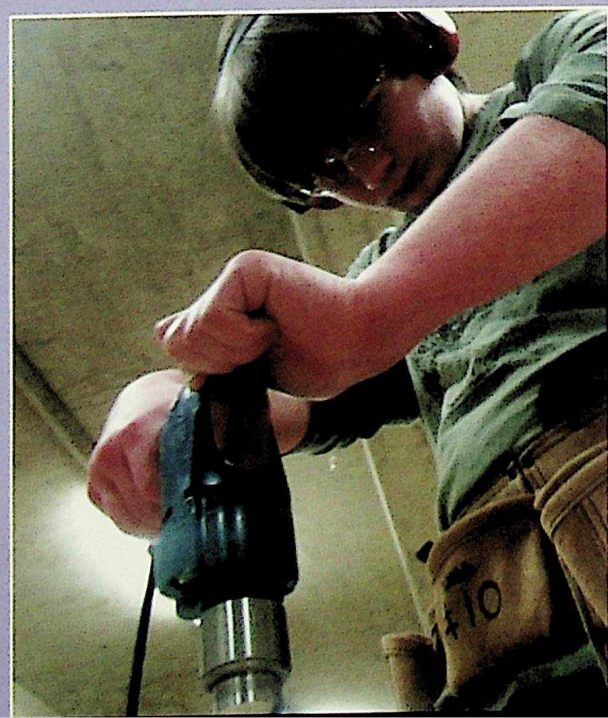

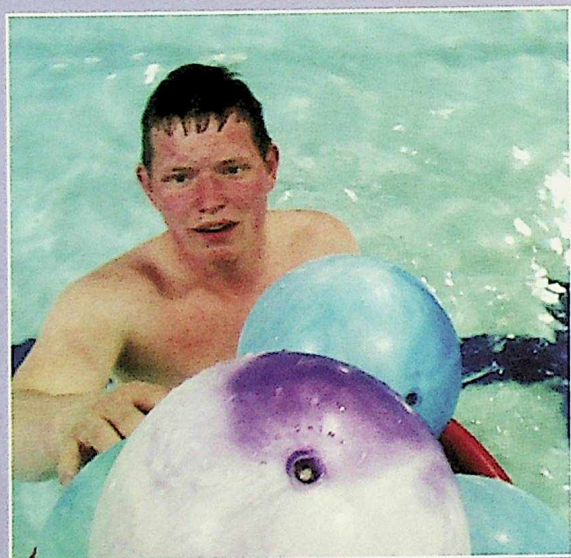

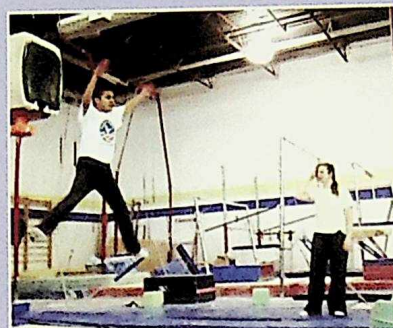

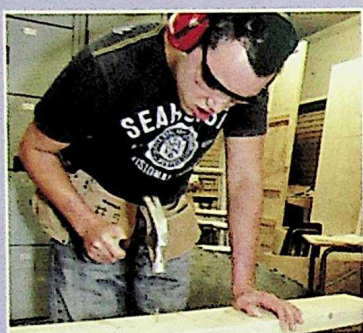

INTERNATIONAL LANGUAGES

At Harry Ainlay, students have many great options. Among them are four languages offered: French, German, Japanese, and Spanish. Each language program provides students with a variety of fun-filled and meaningful learning activities which help them to gain effective communication skills and cultural understanding. Through piñatas, Oktoberfest, Anime festival, plays, and puppet shows our students are given exciting opportunities in the global community.

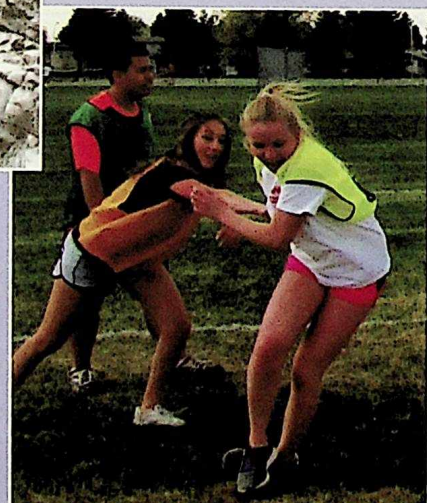

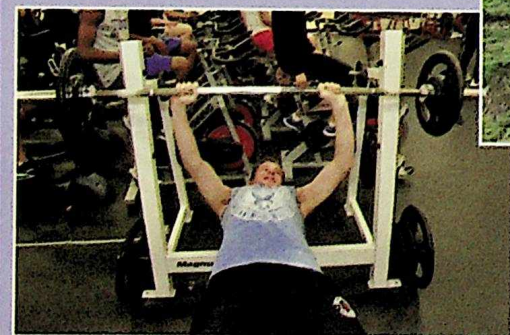

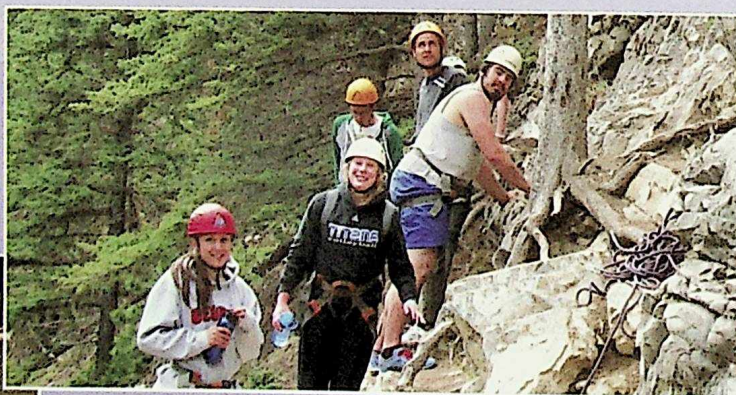

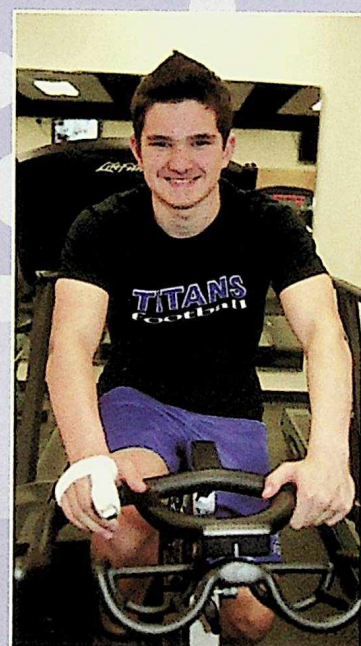

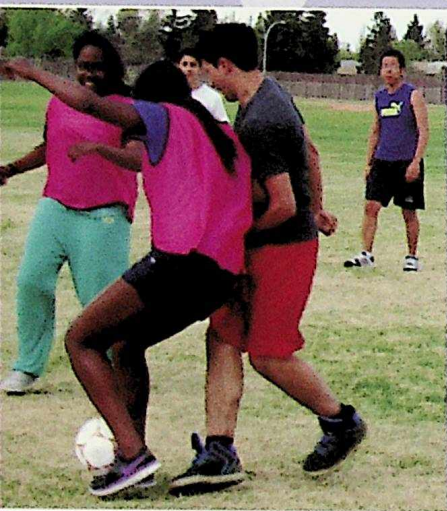

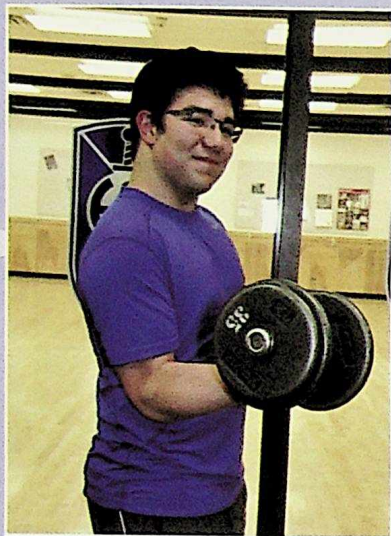

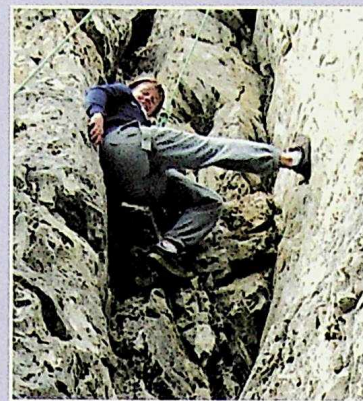

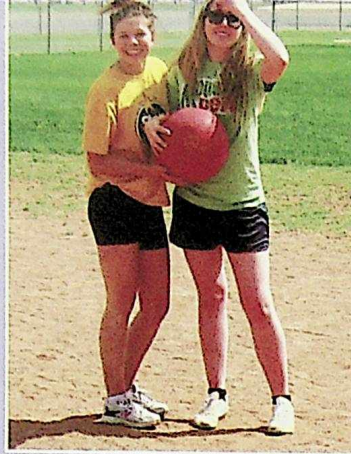

INTERACTIONS

The Interactions program is designed to meet the special education needs of students with Autism Spectrum Disorder. Programming is based on the individual needs and abilities of each student to help them gain academic and life skills as well as to develop and apply communication skills and socially appropriate behavior. Thank you to all the student volunteers for their participation in the classroom this year.

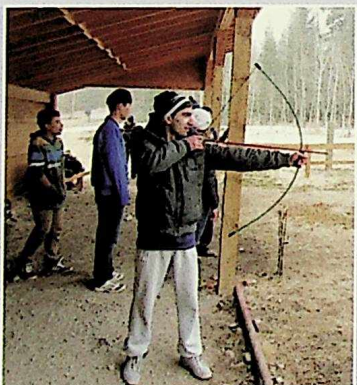

PHYSICAL EDUCATION

The aim of the physical education program is to enable titans to develop the knowledge, skills, and attitudes necessary to lead an active, healthy lifestyle. Activities include track, football, soccer, swimming, skating, broomball, hockey, slow pitch, synchronized swimming, dance, gymnastics, weight training, cross-country, badminton, volleyball, rugby, and other individual and team sports. I am working up a sweat just reading about all the activities you get to do in gym class.

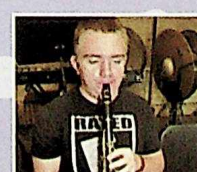

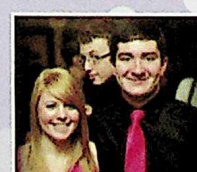

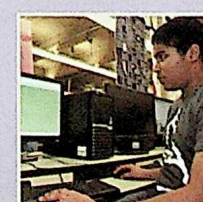

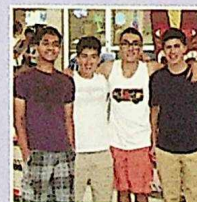

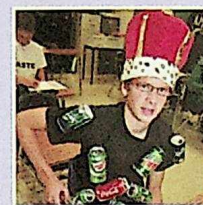

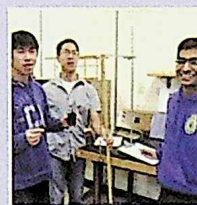

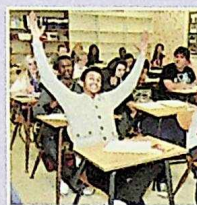

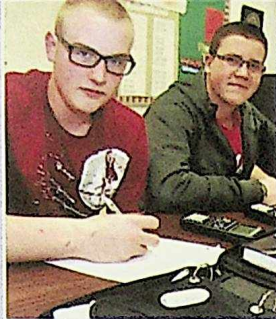

LEADERSHIP

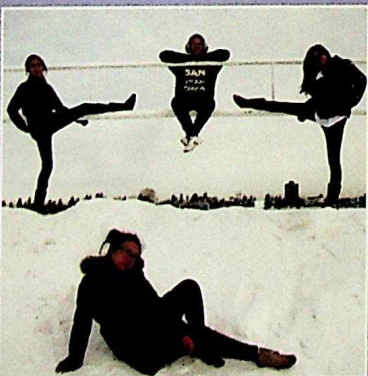

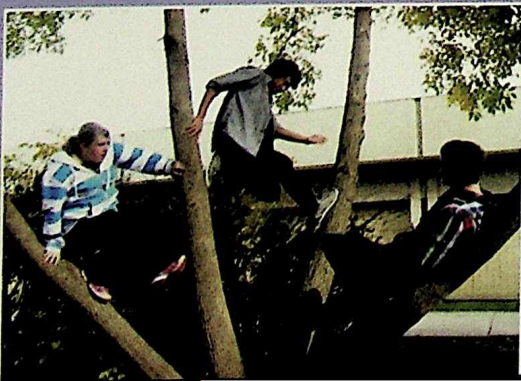

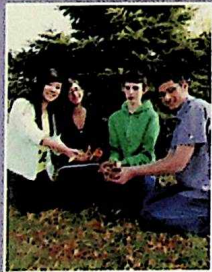

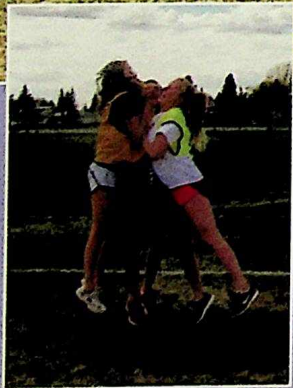

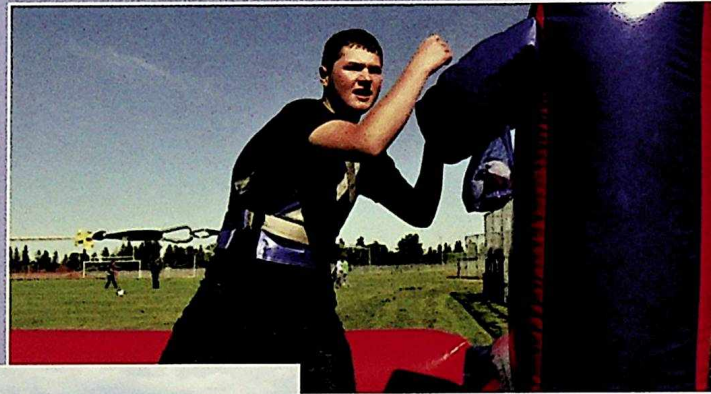

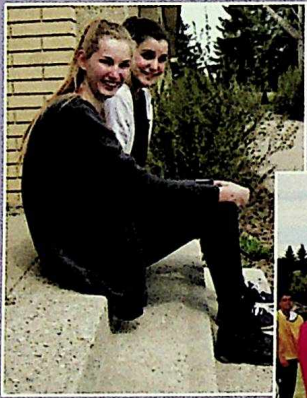

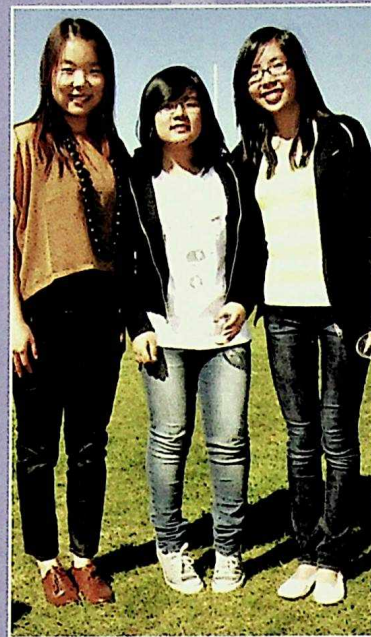

The 2012-2013 leadership program had a whirlwind year of training, activities, and events that the students and staff co-ordinated. Approximately 160 students developed skills in Leadership Fundamentals, Volunteering, and Relationship courses, and were heavily involved in a variety of events and activities both in the school and in the greater community. Highlights include: outdoor team building at Camp Hectar and Ft. Edmonton Park, a workshop with Phil Boyt (a motivational speaker who challenges teens to be more understanding to those around them as well as facing barriers in Breaking Down the Walls), and the annual A Walk Around the World where Ainlay Leadership students orchestrate a celebration of cultures for approximately 400 elementary students. Harry Ainlay continues to invest in the development of today's and tomorrow's innovators and leaders. Keep up the great work Titans!

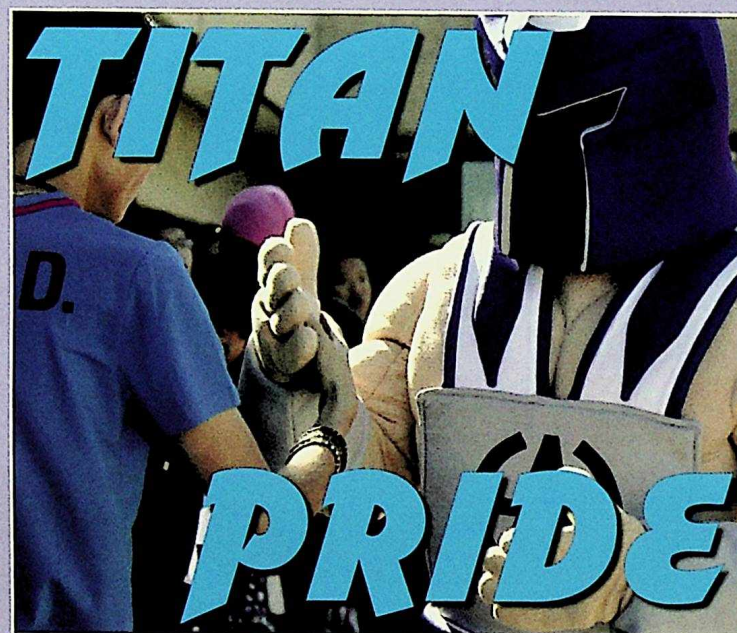

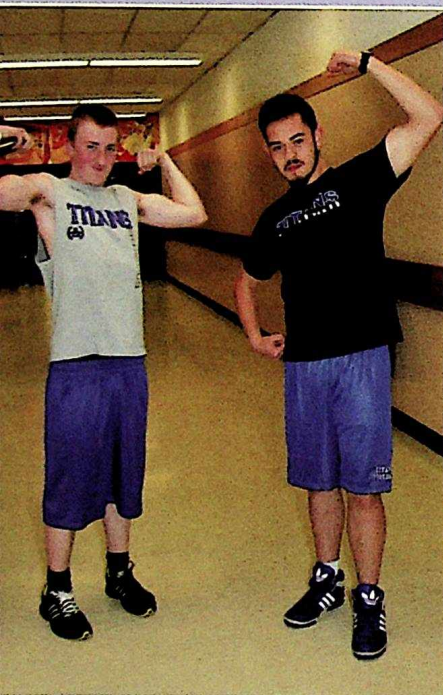

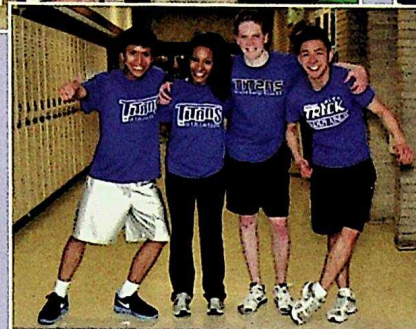

INSIDE AND OUTSIDE AINLAY

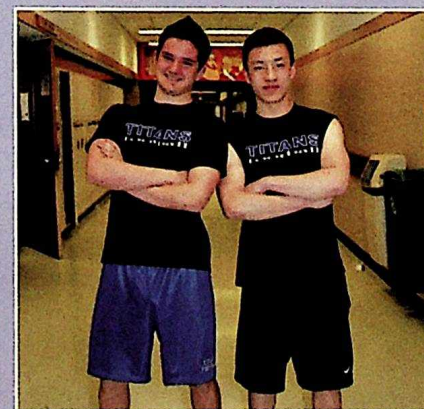

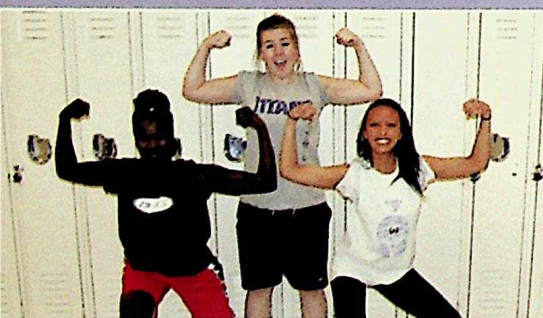

Inside, outside, over, under, sideways, down, backwards, forwards, square and round. Everywhere you go adventure can be found. Everyday is an adventure at Ainlay whether you are inside the windowless bunker, outside on the green grass, or wading knee-deep through the latest snowstorm. With 2300 students between the ages of 15 and 18 some pretty cool things are going to happen: talking, laughing, walking, texting, reading, studying, playing, eating, socializing, cheering, flirting, acting, succeeding, growing, learning, leading, singing, winning, graduating...

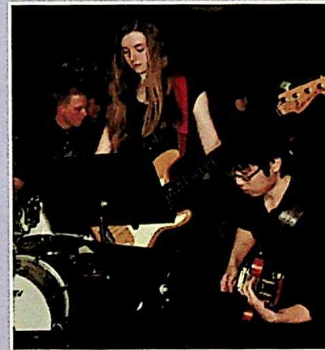

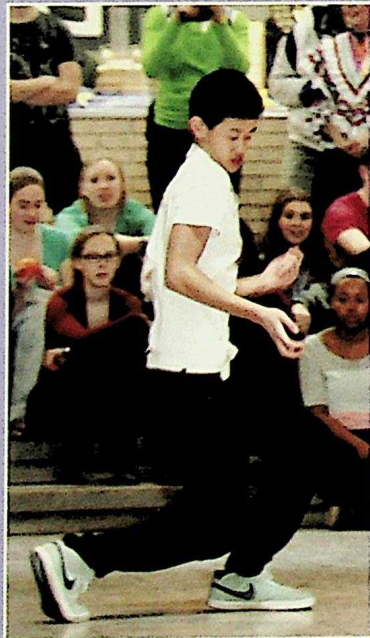

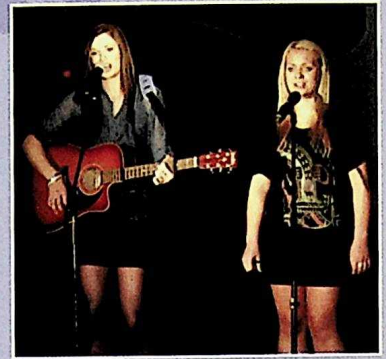

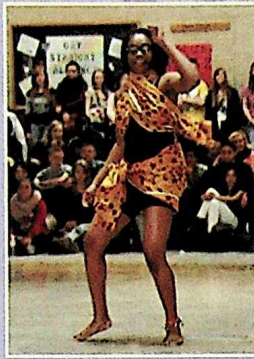

Yeah! I'm a Titan and proud of it! Honesty, respect, responsibility, and altruism - four of our Titan virtues that are at the core of our being along with being fun-loving, adventurous, and a wee bit mischievous - set your phone alarm for 9:30 am. Three years of training here at Ainlay to become a Titan forever. In Omnibus Excelsior!

ENTERTAINERS

When the opportunity arises to perform, Titans seize the opportunity to entertain their peers. Singers, dancers, musicians, and gymnasts take to the stage to hear your applause for their energetic performance. Do you remember them all?

FRIENDS FOREVER

One of the most beautiful qualities of true friendship is to understand and to be understood. Those words spoken by Roman philosopher Lucius Annaeus Seneca 2000 years ago still ring true today. Friendship, that beautiful state of being, that we share with other kindred spirits. Just think of all the new friendships that you have made since arriving at Ainlay. Amazing isn't it. Those special people you text, grab a timmies with, meet by your locker, share your deepest thoughts, feelings and dreams with. Let's enjoy, cherish and savour all those special moments we share together as friends.

CLUBS, INTERESTS, & SOCIAL ACTION

Tired? Bored at lunch hour? Does Ainlay ever have a solution for you? If an idea for an interesting club pops into your head, never fear, Ainlay already has thought of it. And you and all your friends are always welcome to join the party. Most clubs get together at lunch or after school. However, just as people are important to create a club our teacher sponsors are greatly needed. Thanks to all of those teachers who will make, or have already made, someone's thoughts a reality. So Titans "Go For It" because you don't know what possibilities await you.

TITAN VOLUNTEERS

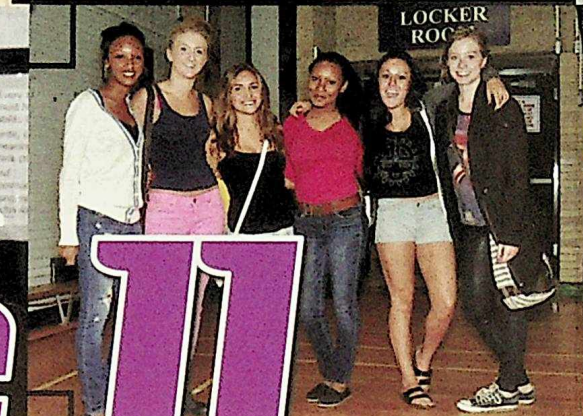

TVT, Touch of Class, Tri-Prov, and all the other events at Ainlay just magically happen. Well if life were like that, you wouldn't need Volunteers. This year, all of those events that you participated in only happened as a result of hundreds of volunteers who took care of every possible detail to make the event an absolute success. These amazing Titans collectively volunteered thousands of hours to pull off these events to entertain you and your fellow Titans. Next year, join the Army - the army of Titan Volunteers, that is. Hug a volunteer today.

LINK CREW

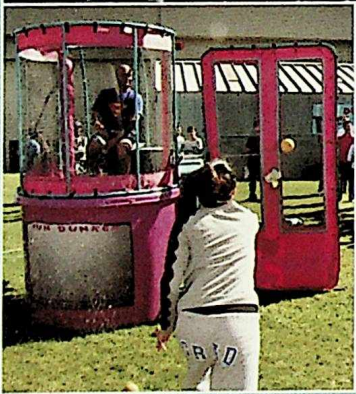

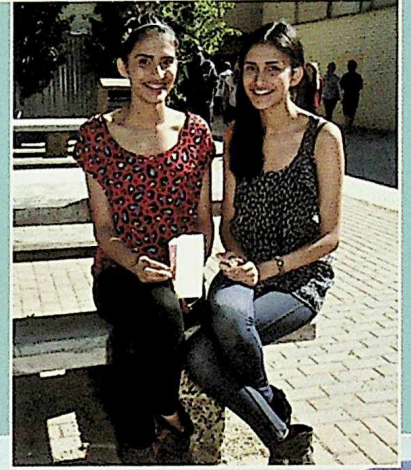

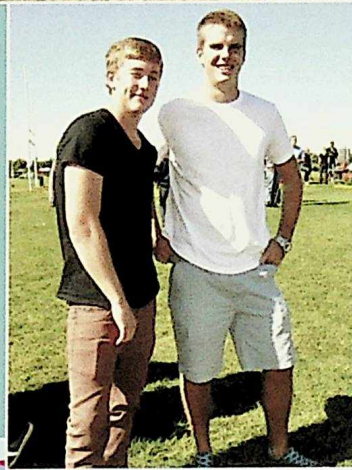

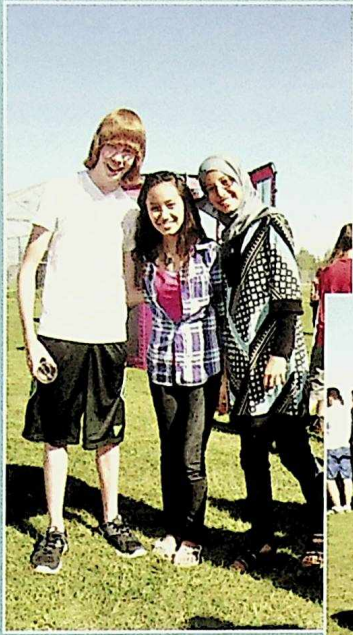

800 new students got their first taste of what it means to be a Titan at Link Crew 2012, Harry Ainlay's annual grade ten orientation. For the whole day, knowledgeable mentors in grades eleven and twelve led small groups of grade tens through various games and icebreakers, as well as providing a tour of the school and answering questions. Link Crew was a great success this year, easing the transition into high school for our newest student additions, and it would not have been possible without the dedicated student leaders and executive committee!

WELCOME BACK BBQ

This year's Welcome Back Barbeque was one of the biggest and best that Ainlay has ever seen! The barbeque expanded this year from the field and outdoor classroom to the northeast parking lot as well, and best of all, it was completely FREE! There were popcorn and cotton candy machines, burgers, chips, a root beer garden, and most exciting was the Froster van! Who doesn't love slurpees? The Student Council put on an amazing barbeque with not only fantastic free food, but there were also tons of fun activities to do as well! There was a bouncy obstacle course, a first-and-goal, and a dunk tank where the students got the opportunity to dunk their assistant principals! The Welcome Back Barbeque was an awesome way to welcome the new grade 10 students, and to welcome back the grade 11's and 12's for another great year at Ainlay!

TITAN VOLLEYBALL TOURNAMENT

TVT 2012- The Avengers. This year was an exciting year for the Titan Volleyball Tournament. We had a strong team from Norway in addition to strong teams from Manitoba, and Alberta. The student executive put in a tremendous amount of hard work to give players, coaches, parents and spectators an exceptional experience. The great tradition of Harry Ainlay putting on great tournaments continues. Thanks to the students, teacher advisors and parent volunteers for their contributions which resulted in three great weekends of volleyball!

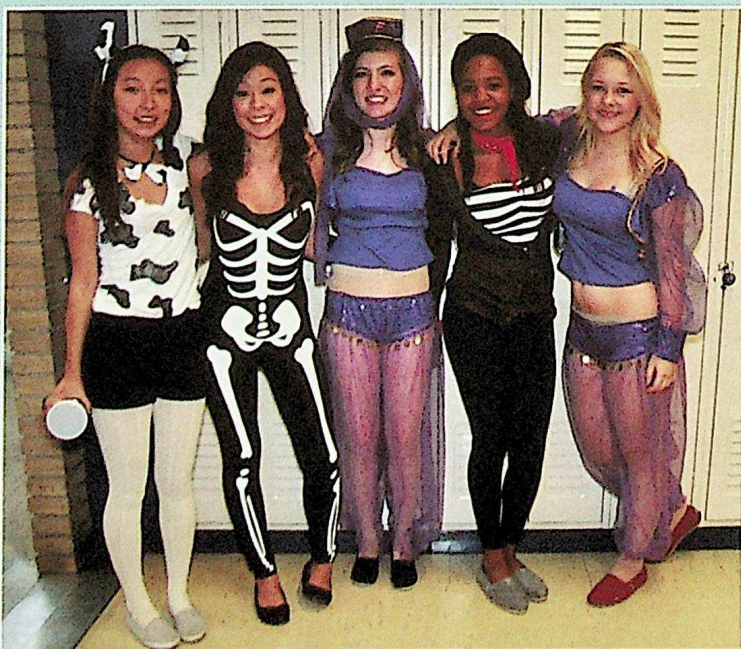

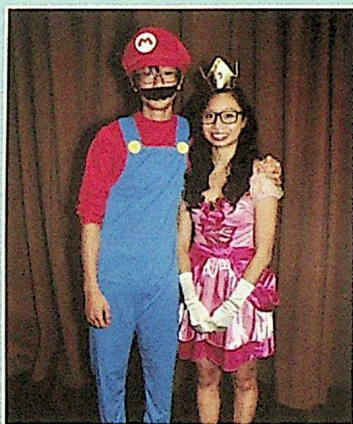

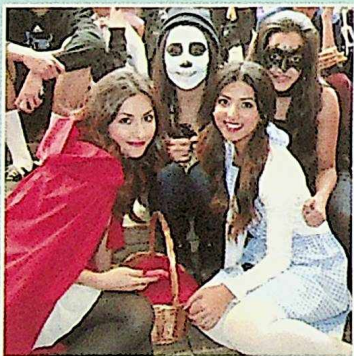

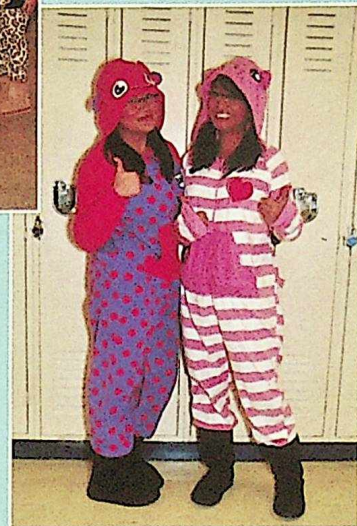

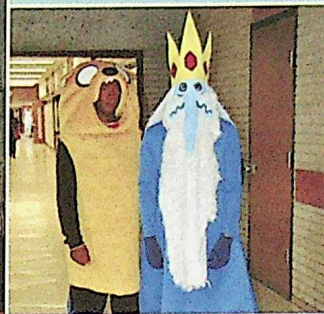

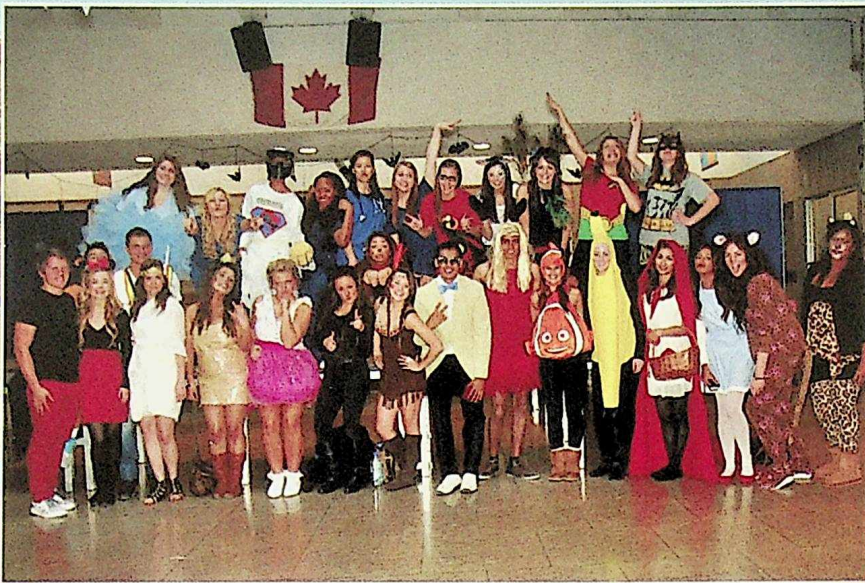

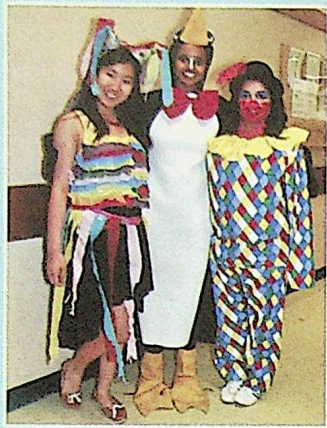

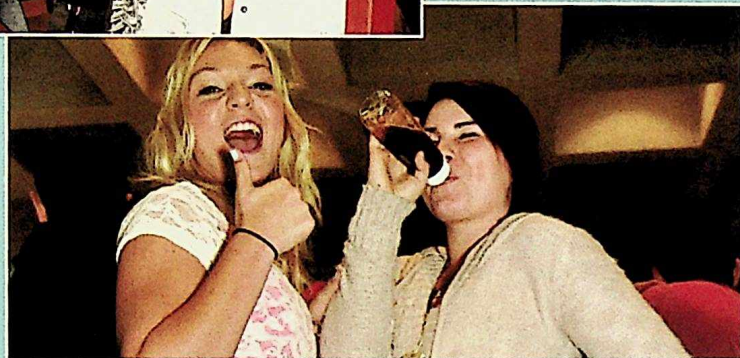

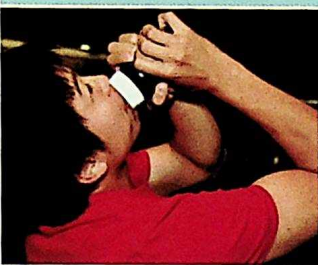

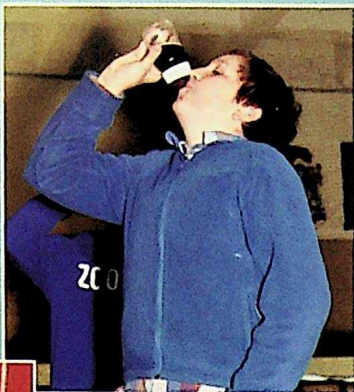

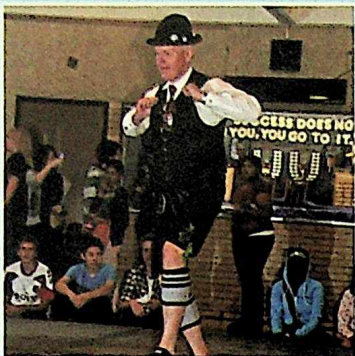

HALLOWEEN

Ghouls and zombies; princesses and mice; witches and superheroes; old people and babies - this Halloween Scary Ainlay hosted them all. We proved, beyond a shadow of a doubt, that we have bats in our belfry and mystics in our midst. From visions of loveliness to images of terror, creatures of all shapes, sizes and descriptions danced, shuffled, ambled, slid, waltzed, sauntered, lumbered, and roamed the haunted hallows of Ainlay's halls. While all of the activities were enthusiastically received, the costume parade was an expression of creativity and imagination that impressed hundreds of onlookers and was the highlight of this year's Scary Ainlay celebrations - it was a true spooktacle.

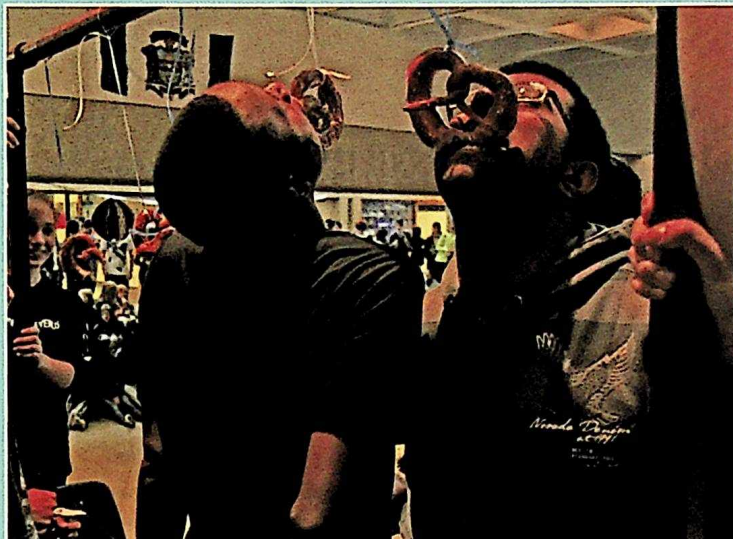

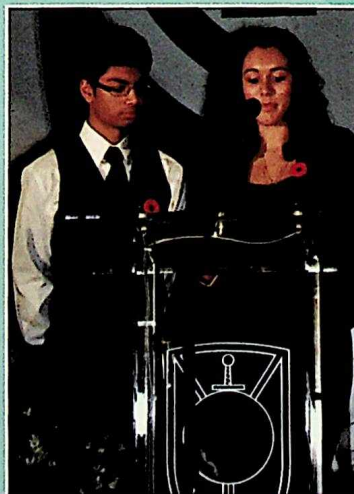

OKTOBERFEST

On October 10th, the Harry Ainlay rotunda was again transformed into the Oktoberfest meadow with Über-Gemütlichkeit. Students could sample authentic pretzels and sausages on a bun, while Herr Hüllstrung put on a show with his Schuhplattler dancing. Students got into the festivities by participating in the Root Beer drinking contest, pretzel eating contest, and who can forget the new hairdos produced by the Huttanz (Hat dance). Party mit den Besten - Deutsch macht Spaß!

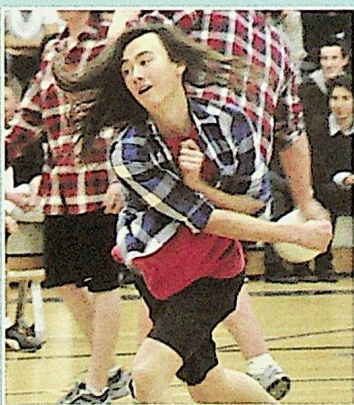

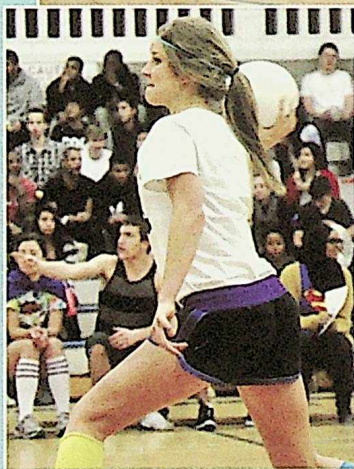

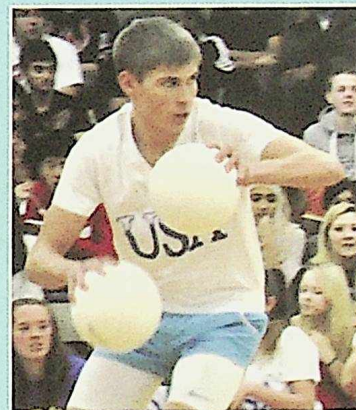

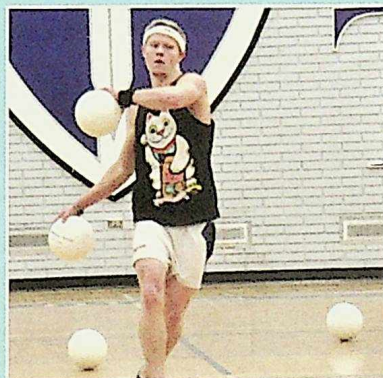

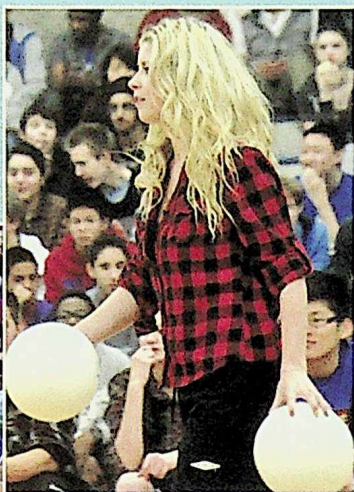

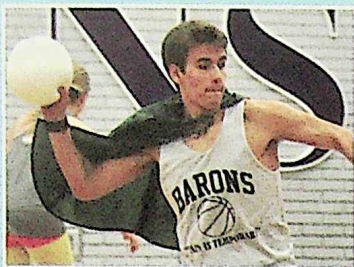

REMEMBRANCE DAY

Remembrance Day was observed at Ainlay to honour the members of the armed forces who have died in the line of duty since WWI. At our ceremony held in the gymnasium, all who were in attendance wore a poppy as a show of respect and remembrance. Dignitaries were piped in, speeches were read, and the last post was played by a student bugler. As people left, they placed their poppies on the cenotaph that was guarded by four cadets from Ainlay. "At the going down of the sun and in the morning, we will remember them." (from the poem "For the Fallen", by Laurence Binyon, 1914).

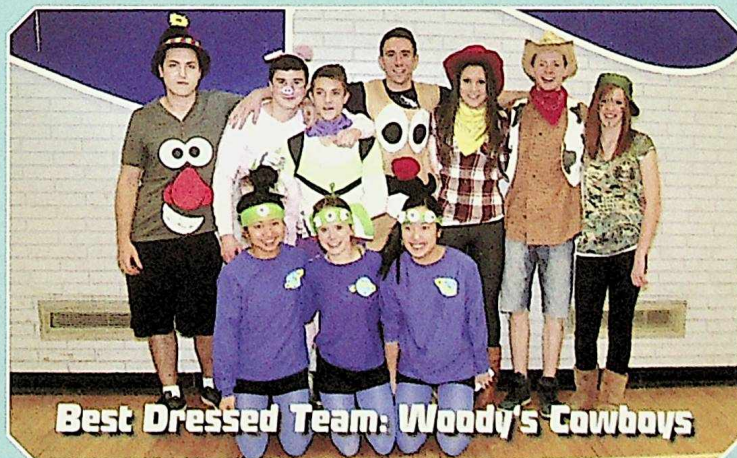

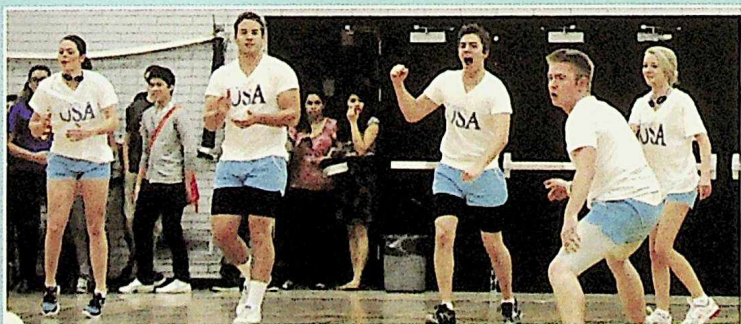

DODGEBALL TOURNAMENT

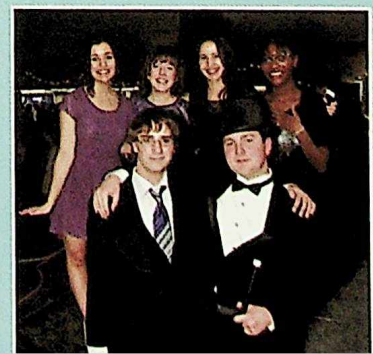

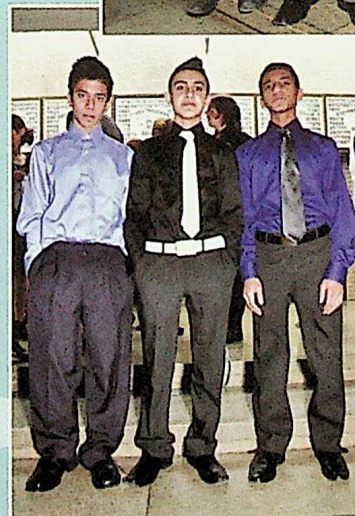

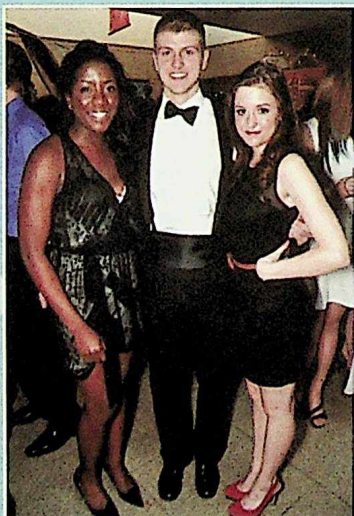

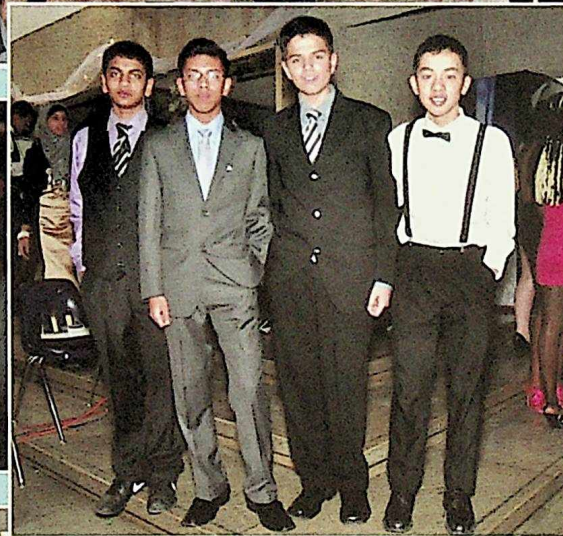

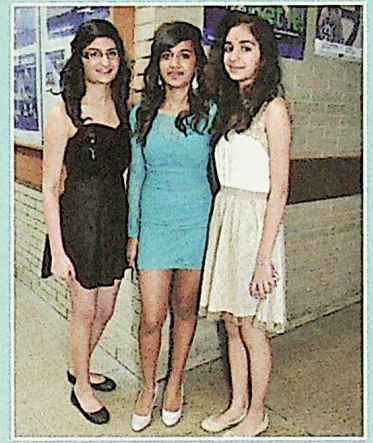

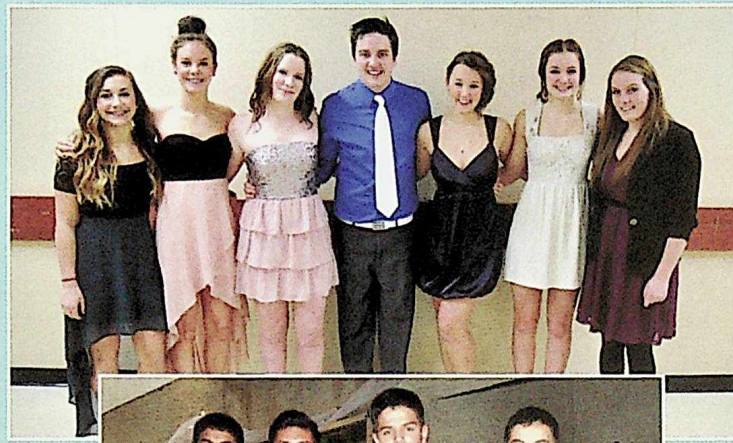

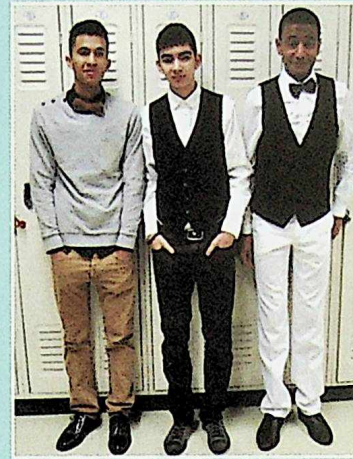

The 8th annual Titan Dodgeball Tournament was filled with exciting games that kept everyone guessing who would be our Dodgeball Champion! The gym was packed every lunch hour with cheering fans waiting to see the outcome of each riveting game and to check out the amazing costumes that the teams were wearing. Best Costume was awarded to Woody's Dodgeball for their Toy Story-themed attire. Every match was a nail-biter right up to the final game where tournament favourite, Michael Phelps Swim Team, faced off against the Scooby Crew who came out as the "top dog".

Winning Team: Scooby Crew

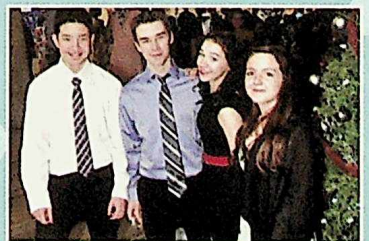

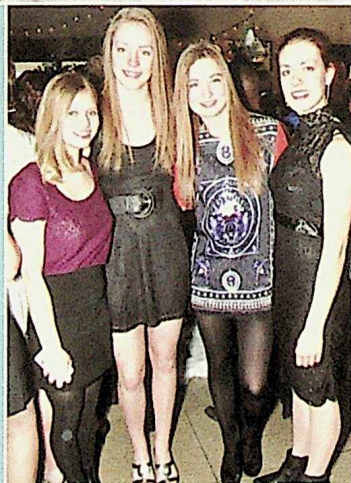

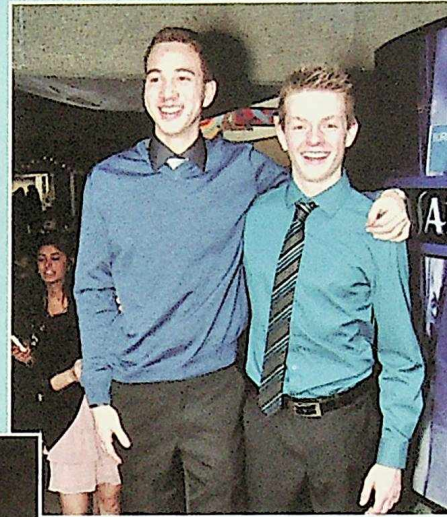

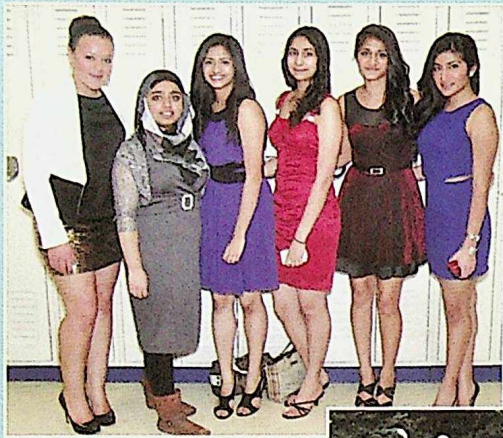

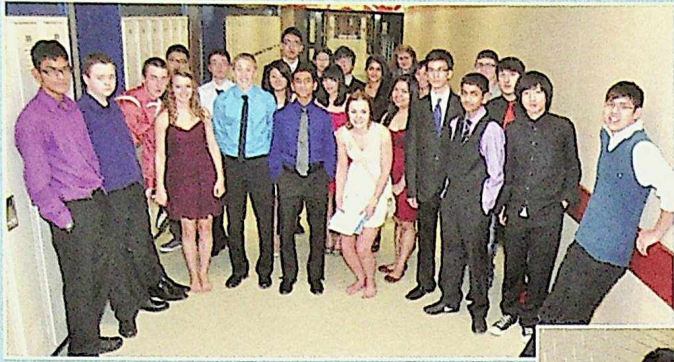

Best Dressed Team: Woody's Cowboys

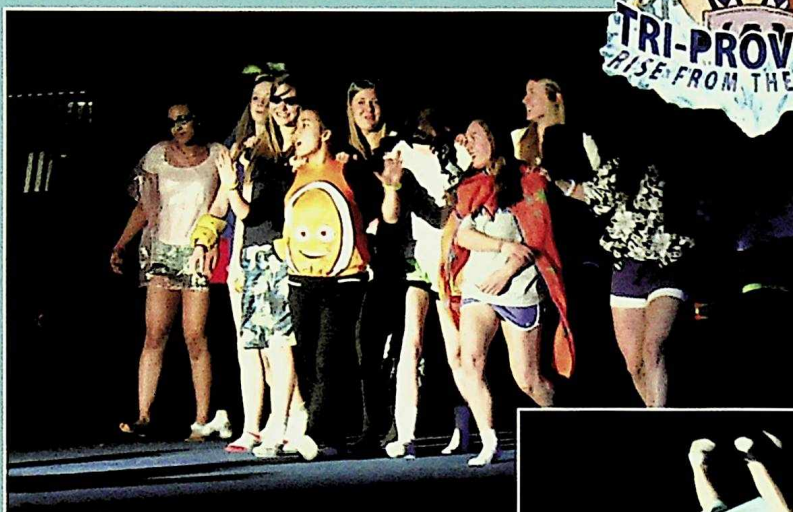

TOUCH OF CLASS

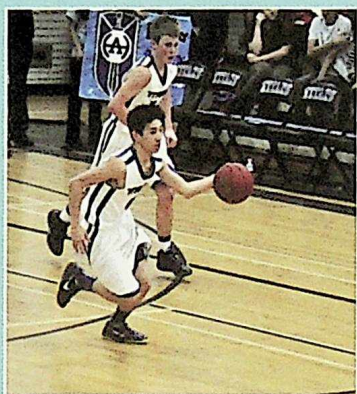

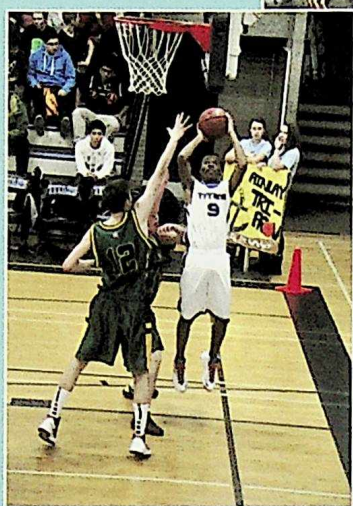

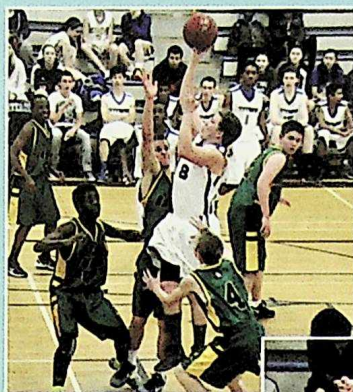

We sat across from the Rockefeller Christmas tree and listened to 1940s jazz... in the Rotunda! Ainlay Titans roamed the streets of "Vintage New York" at this year's Touch of Class - sitting on snowy benches by lampposts, and gazing at the floating top hats above. There was amazing artwork, a live jazz band, and the debut of a photo booth at Ainlay! With ladies and gentlemen all dressed to the nines, suits and pearls, they sure looked fine. Entertainment, food galore, and camera flashes everywhere! Memories that last forever, a great experience shared together!

TRI-PROV BASKETBALL TOURNAMENT

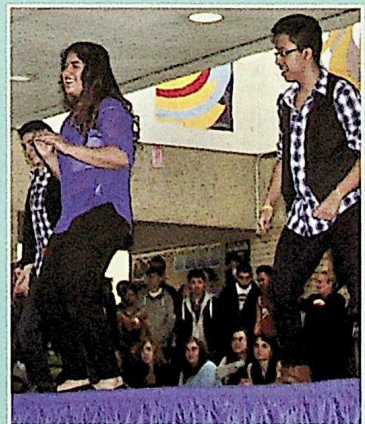

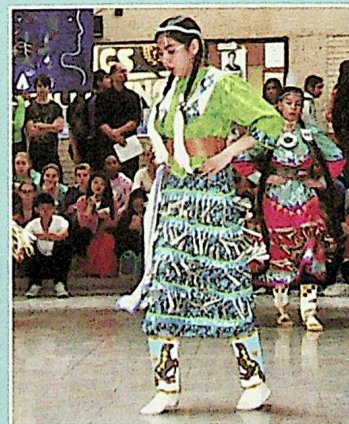

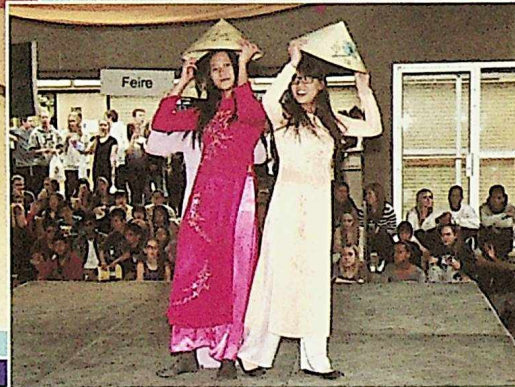

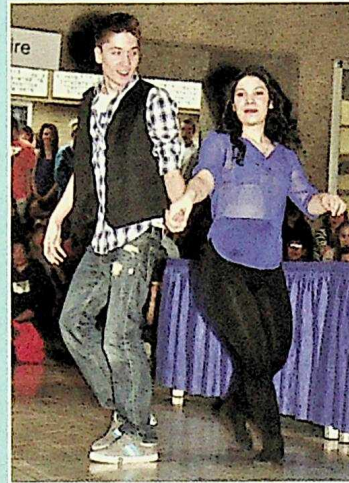

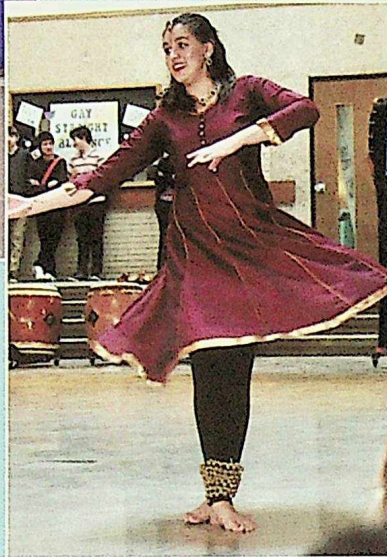

This year's Tri-Prov was an amazing success! In 2013, our theme was "Rise From the Depths" and for the 38th annual opening ceremonies we had everything from dancers to Japanese drummers. This year, teams travelled from British Columbia, Saskatchewan, and Minnesota to play in our renowned tournament. The players displayed physical prowess through some amazing passing, jumps, and slam-dunks. The crowd roared with delight at such phenomenal displays of air-bound athleticism. Student co-chairs, Ryan Fung and Sheen Kachroo, as well as the student executive, teacher advisors, and numerous volunteers staged a spectacular basketball tournament of oceanic proportions.

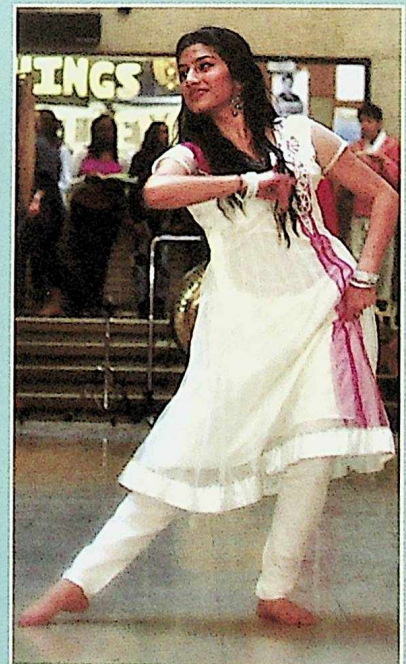

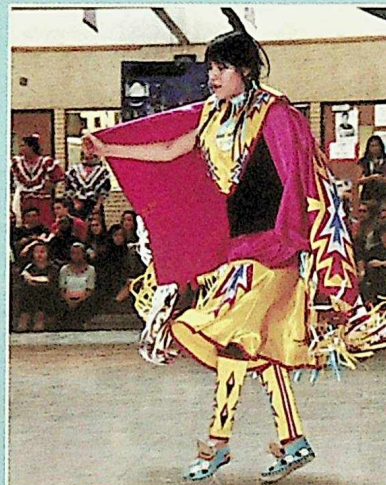

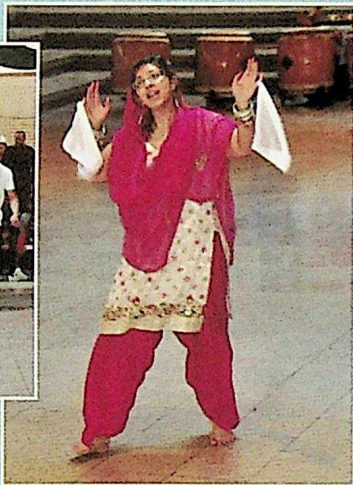

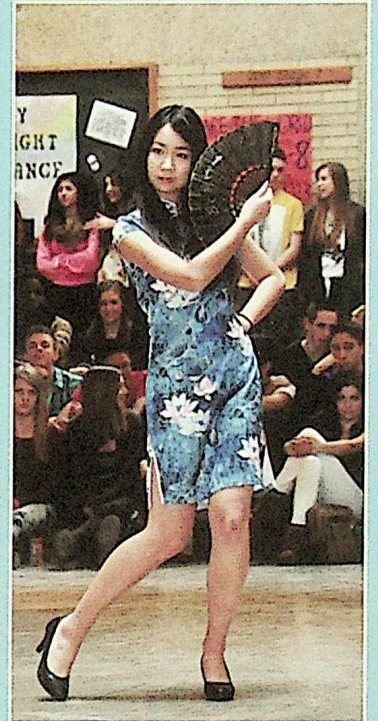

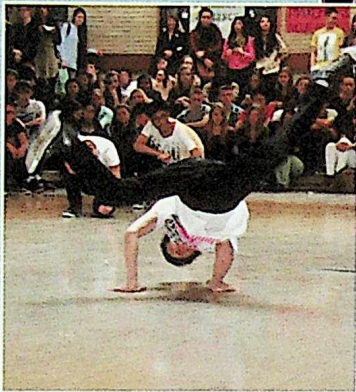

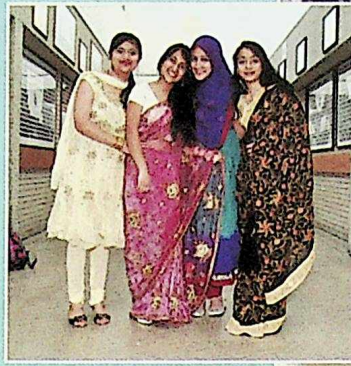

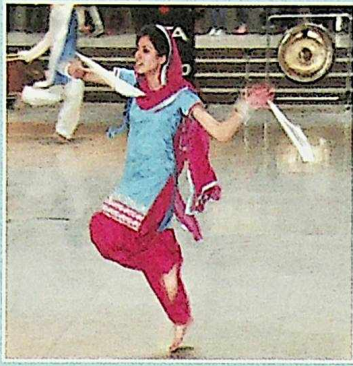

CULTURE FEST

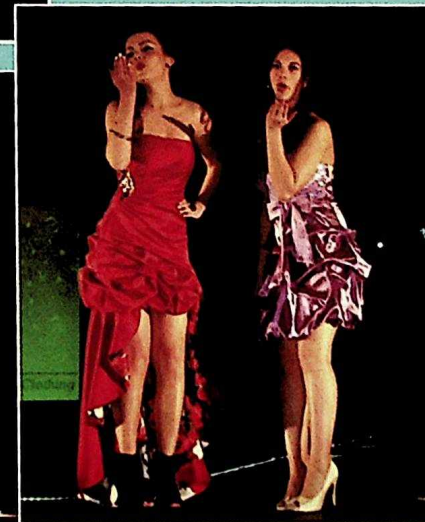

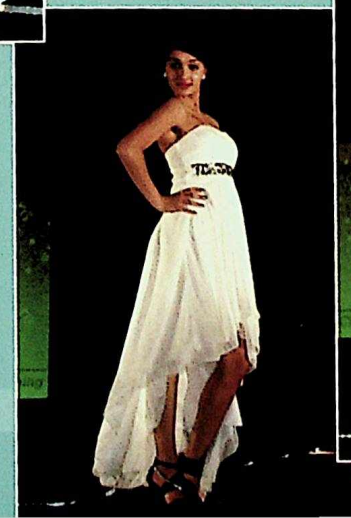

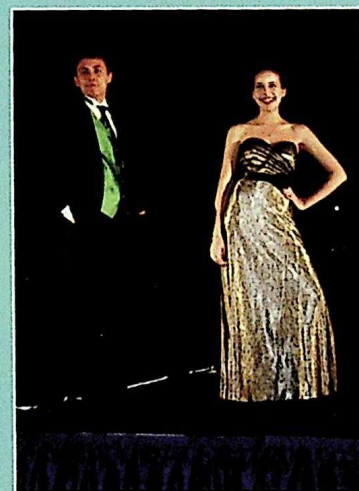

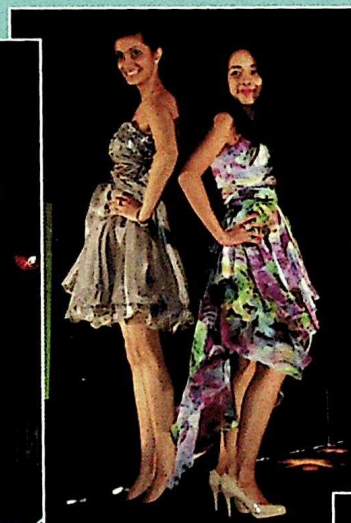

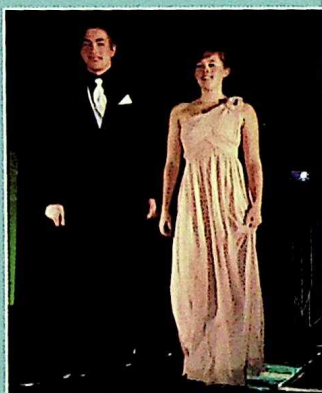

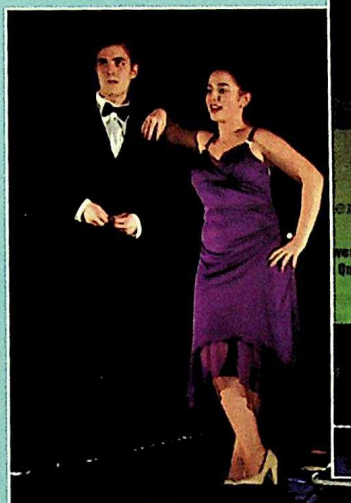

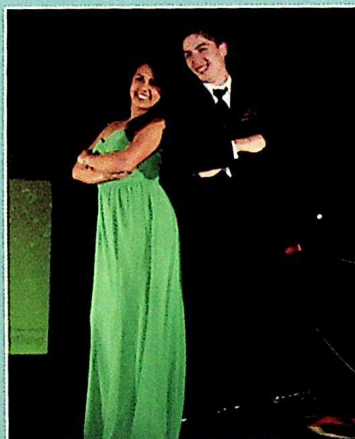

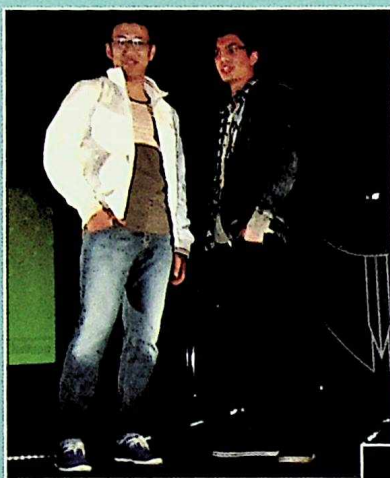

Culture Fest 2013 was an amazing experience for the students of Ainlay to not only learn about the different cultures around us, but also to celebrate our own multicultural backgrounds. The three-day event featured fifteen countries from around the world, all represented by our very own Ainlay students. The festivities included dances from Nigeria, Vietnam, Hungary, Latin America, and an exceptional performance from Taiko Japanese Drummers. As well, students were able to sample delicious food from various parts of the world such as samosas from India, profiteroles from France, and kimbap from Korea. Many Ainlay students also took part in the celebrations by dressing in beautiful traditional clothing from all over the world. Through Culture Fest food ticket sales, Ainlay students raised a whopping \$1550! All proceeds were donated to the Youth Emergency Shelter, which provides high school students with immediate care in difficult situations.

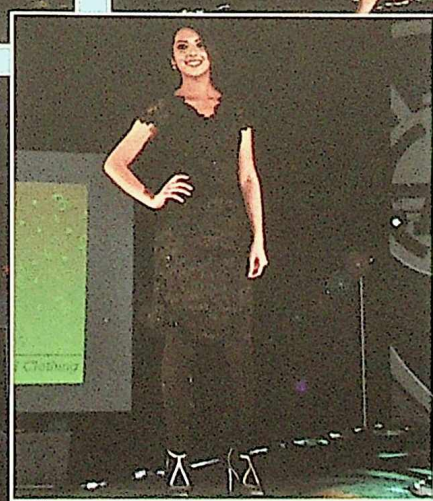

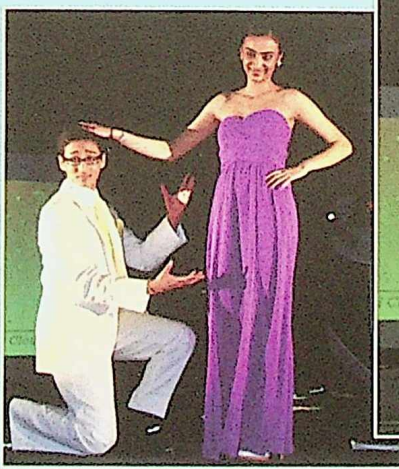

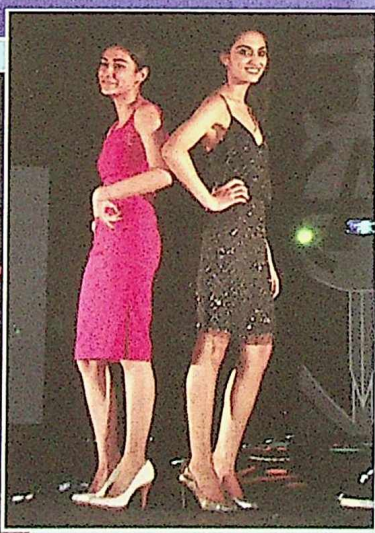

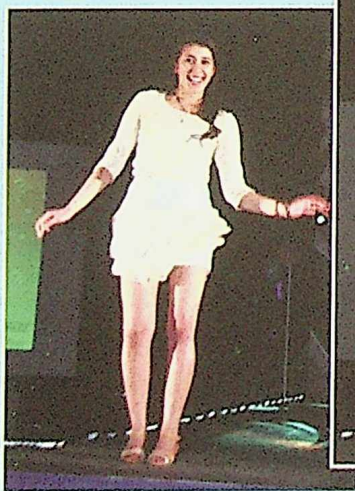

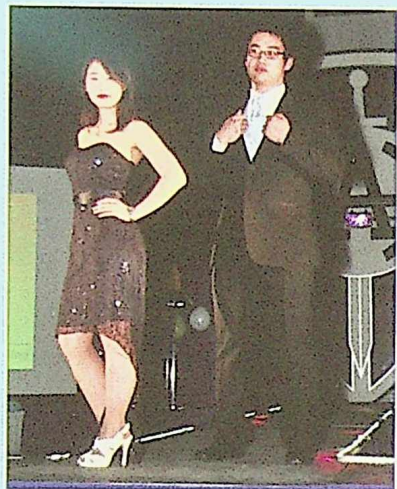

GRAD FASHION SHOW

Student models tore up the runway at the 2013 Dr. Seuss-inspired Whimsical Fashion Show and Silent Auction. Guests snagged deals on a variety of unique auction items donated by local businesses and enjoyed fabulous entertainment, tasted delicious snacks, and got to view the latest fashions provided by Southgate Centre, Derks Formal Wear, and our very own Fashion students. For the first time, the show featured five adorable models from Richard Second Elementary, and a portion of the funds raised were donated to their school in recognition that they are our 'Grads of Tomorrow'. The outstanding models, volunteers, and executive team made the show an evening to remember!

EASTERN EUROPE TRIP

From March 23 to April 5, 2013, 23 Ainlay students visited four beautiful and historical capital cities in Eastern Europe with Mr. Lavold and Ms. Wolfe. Our Titans were able to experience the wondrous history of these classic cities as well as modern European culture through visits to museums, castles and churches, as well as shops, restaurants, and street life. Our tour began with a visit to Budapest, Hungary. While the weather was cold and snowy, the warmth and hospitality of this city on the Danube

more than made up for it. We visited the Parliament Building, Hero's Square, St. Stephen's Cathedral and the Royal Castle District. Students were particularly impressed with the exhibition of Hungarian horseback riding on a trip out to the Hungarian Puszta (plains). After a brief stop in the picturesque capital of Slovakia, Bratislava, we were off to Vienna, the seat of the Austrian Habsburg Empire in centuries past. The delicious food and amazing architecture left an indelible impression on the students. Easter

weekend was spent in the lovely Czech capital of Prague. We were lucky to have been there since locals celebrated this religious holiday with festivals in the central squares full of shops and stands, music and food. The famous Astronomical Clock, Old Town Hall, and Charles Bridge alongside the Royal Palace and the picturesque Golden Lane (home of Kafka and prominent alchemists) made Prague a highlight of the trip. On the way to Berlin, we stopped in Dresden, a beautiful city that had been destroyed by Allied bombs in WWII, but since then has been completely rebuilt.

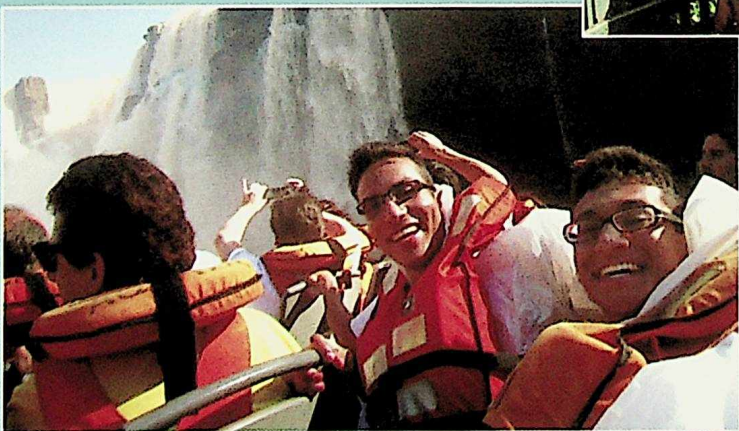

Berlin, our last stop, was a marvel of both the historical and the modern. Our Canadian students were spellbound by the Olympia stadium from 1936, the Jewish memorial, and the remnants of the Berlin Wall. Of particular fascination was the Pergamon Museum, which houses the entire ancient Babylonian Gate and the Topography of Terror, a museum that detailed Nazi rule at the site of the former Gestapo HQ in Berlin. Then back to Canada! Our travelers experienced a once-in-a-lifetime trip, full of warm memories and new friendships.

BRAZIL & ARGENTINA TRIP

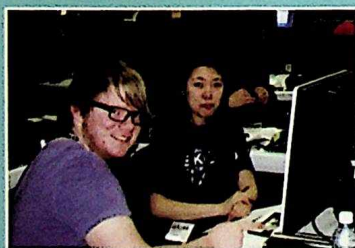

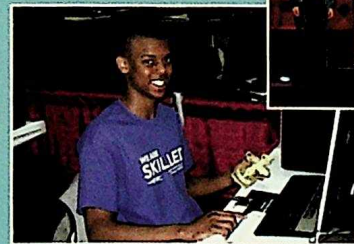

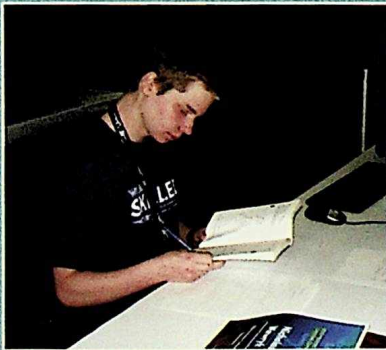

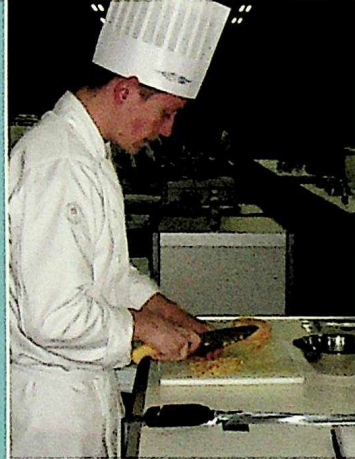

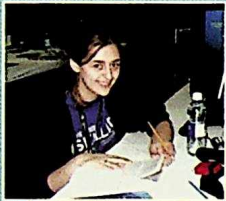

Nineteen students and two teachers, Mr. Heidt and Ms. Maradyn, headed south of the equator for a 10 day trip to Brazil and Argentina - leaving the day after a blizzard (ha!) and arriving in high 20°C weather. Our trip started in Rio de Janeiro where we visited the iconic Christ the Redeemer statue and rode a gondola up Sugar Loaf Mountain. After a serene schooner ride, we left Rio for Iguacu Falls where the views were truly breathtaking. One of the greatest moments, along with the boat ride, had to be getting so close to Falls that no one cared about staying dry - we had our best

friends at our sides and that was all that mattered. Next, we journeyed to Buenos Aires - touring the city and taking in a tango show. Due to lost passports, two of our friends got to enjoy Buenos Aires a bit more than planned! Despite these amazing sights, perhaps the greatest memories made were playing Dutch Blitz and Cheat late into the night, drinking copious amounts of Guarana, and playing the 'jumping game' wherever possible. Oh and yelling "HEY PRINCESS, LET'S SHAKE IT!"

SKILLS CANADA

In May 2013 select students from Harry Ainlay had the opportunity to showcase their talents at The Alberta Skills Competition. Best described as the Olympics of Trade and Technology, the Skills Competition allows young people to represent their school in a competition representing a wide variety of trade and technological events. The Skills Competition is an event held at regional, provincial, national and then international levels. This year's Regional and Provincial competition, Harry Ainlay students competed in Architectural Design, Baking, Culinary Arts, Fashion Technology, Hairstyling, Mechanical CADD, Photography, Welding, Website Development, 2D & 3D Animation, and TV Video Production. The students rose to the challenge, competing in events that lasted up to 14 hours over two days. We are very pleased with all students. Their efforts and time spent training for specific event is a reflection of their character in striving for their personal best at all times. Congratulations to all Competitors!

VIDEO TEAM WINS \$10 000

This year the Alberta Motor Association in collaboration with the Edmonton Police Service announced a video competition for high school students. The challenge was to create a video that addresses the issue of distracted driving. Three of Mr. Walker's Communication Technology students (and one 'import') put their creative and technical brains together, and after countless hours planning, filming, and editing, their video won the competition's grand prize of \$10 000 for the school plus \$2 500 for the students themselves. Congratulations to Dawson Wallace, Mo El Bialy, Tyler Heuman, and Quinn Delainey! Also, thanks to Maryn and Jonathan Rawlson who were the actors in the creation. Well done Titans!

YAMATE EXCHANGE

16 Students from YAMATE GAKUIN High School, Yokohama, Japan visited Harry Ainlay for 2 weeks from April 19 to 26 this year. They had a very busy schedule attending classes, touring the city and experiencing their first dance party. Some of them even visited places such as Drumheller, Canmore, Banff, Jasper, etc. with kind and generous guides of Ainlay host-families. They helped our Japanese 30 and 30IB students with Japanese assignments while visiting our Japanese program. 5 Ainlay students and Mr. Heidt will be making a return visit to Yokohama in July. Have a nice trip!

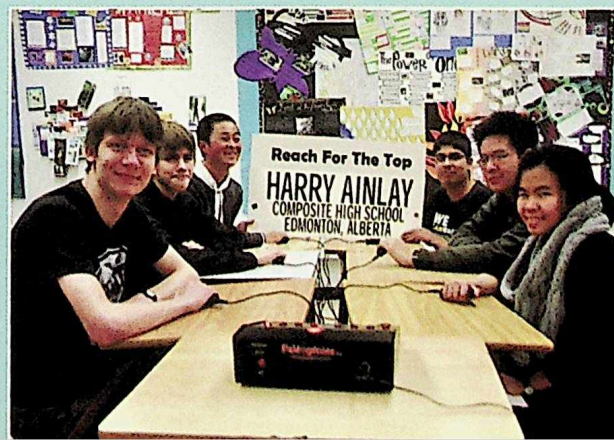

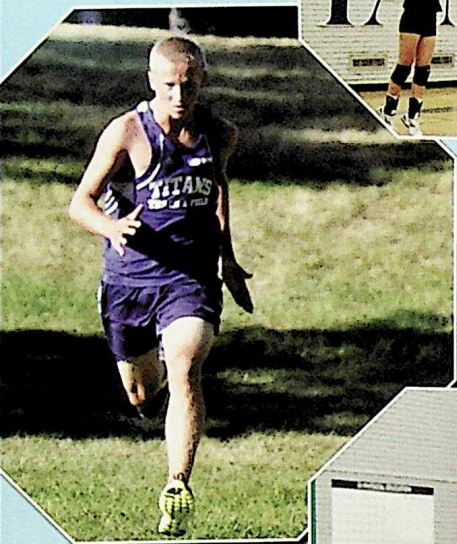

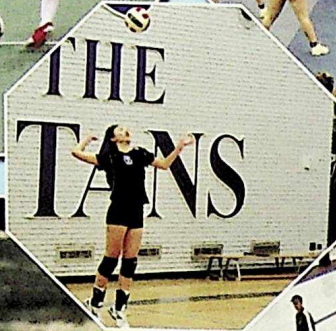

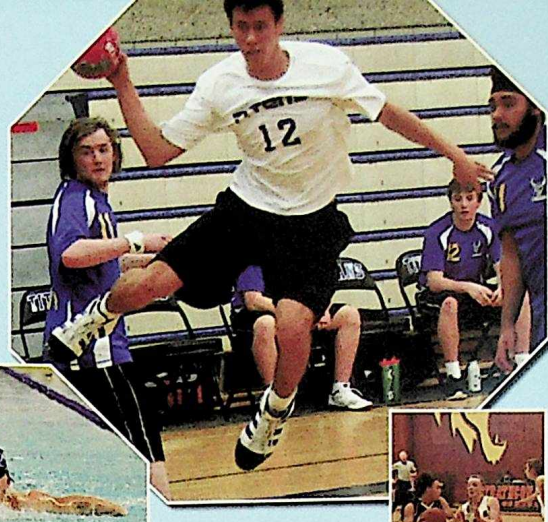

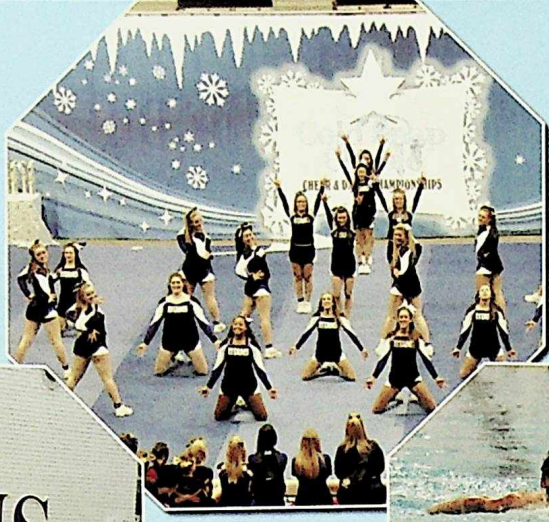

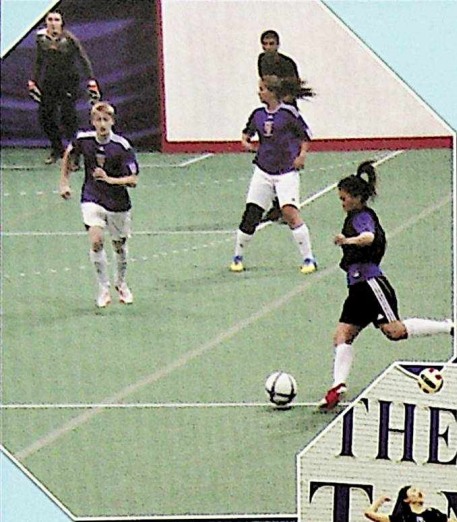

TOKIWA UNIVERSITY HIGH SCHOOL MITO CITY, IBARAKI, JAPAN EXCHANGE STUDENTS

On November 17, Satomi Nonaka, Masami Nakagoshi, Aoi Ogane, Ayaka Tajima, and Sonoka Miyamoto from Tokiwa University High School in Mito City, Ibaraki, Japan successfully completed their three month study abroad program and left for their home in Mito. Their program was preceded by the 12 day ELL Summer Camp at Harry Ainlay in August this year. They had a great experience at Harry Ainlay and at their Canadian host families. Many students in our Japanese program also had great opportunities to practice Japanese and learn about Japanese high school students through a variety of interactions with them. Leaving Ainlay, Satomi Nonaka stated, "We were able to spend a very good time in the last 3 months. Learning English was very hard, but it was exciting! We were so happy. We will not forget the time we spent in Edmonton. Thank you very much!"

REACH FOR THE TOP

The Reach for the Top team ventured to Atlanta, Georgia, USA, and competed with five hundred teams in the American Quiz Bowl National Championship. We were the lone qualifying team from Canada's western provinces. Congratulations to Goutam Venkatramanan, Theo Chow, Tim Brooks, and Shane Climenhega who competed for two days, defeated many teams, and were, in turn, defeated by others. Through the hours of pressure our team remained gallant and courteous, and built new friendships. Enormous thanks to Ms. Holtz and Mr. Francis for their work training and accompanying the team this year!

All of these victories had the guys prepared for city finals where they took 1st place against Edmonton Christian, and then they blew through Provincials in Lethbridge to attain the Provincial Gold Medal. The team developed and improved throughout the season and their hard work ethic led them to success. The players demonstrated what it means to be a Titan by exhibiting strong morals and fighting for every opportunity that was presented. The Senior Men's Basketball Team had another very successful season this past year. The team came away with another Premier City Championship – their 3rd consecutive title. They did this during a year with very few grade 12 student-athletes on the team. They improved their game from the start of the year and peaked in the playoffs to qualify for another provincial tournament. This season was also marked by great adversity as long-time assistant coach, Dave “Dutch” Holland, passed away during the middle of the school year. He played basketball at Harry Ainlay during his high school days and gave back to our Titan community as a coach for 26 years. Coach Holland left behind a Titan legacy that will be sorely missed by all of the students and coaches that worked with him.

The outdoor team consisted of 61 athletes and 5 coaches this year: Mr. John Kistenkas, Mr. Neil Mazur, Mr. Patrick Powell, Ms. Danielle Goertz, and Ms. Lindsay Kirkbright. As a team, the Titans did very well during the outdoor season, finishing in 3rd place in the zone (city) championships. MS BIKE TOUR

On June 8 & 9th, 46 members of the Glen's Titans Never Tire (GTNT) MS Bike Tour team took to the road to raise money for research and treatment of MS here in Alberta. We were part of more than 1900 cyclists who braved the wind to fight for this important cause. You helped us raise a record amount this year - \$51,567!!! This puts our team in 4th position out of over 100 teams.

Students: Dylan Blais, Helen Cai, Josh Calder, Austen Chan, Eryn Clarke, Meryn Corkery, McKenna Crisp, Jacob Denson, Gary Dhillon, Dakota Jones, Bryce Kneller, Amy Lambert, Tak Landry, Winney Li, Alex Lin, Adam Narten, Sam Rybiak, Tom Schlacht, Emery Seal, Elijah Stauth, Christina Wang, Noah Yang

Staff: Mr. Lavold, Ms. Rahmani, Ms. Pirnak

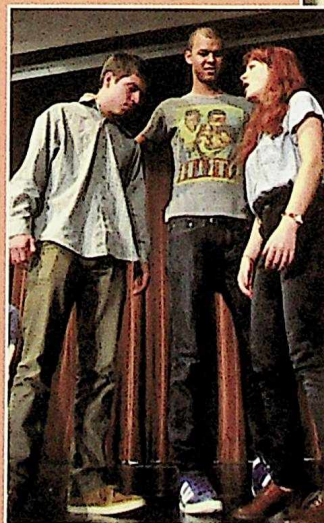

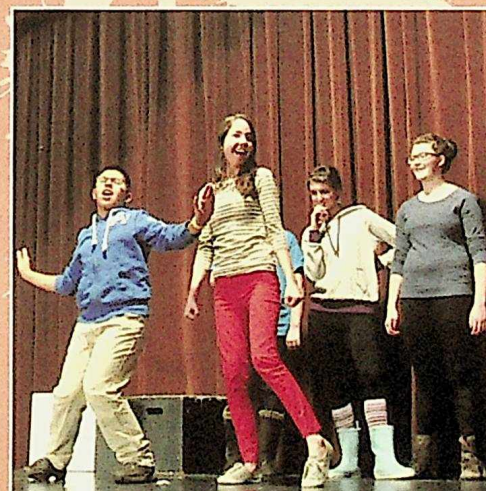

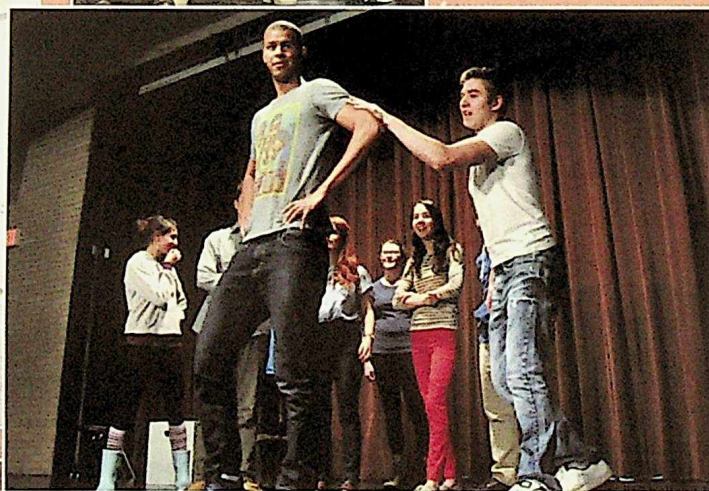

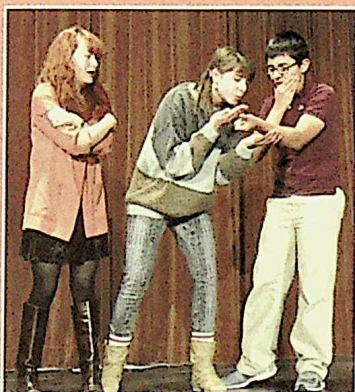

IMPROV TEAM

The 2012 - 2013 Improv Troupe won the hearts of all Titans this year with weekly lunchtime shows, numerous competitions, and comedic posters around the school. This year's senior team consisted of Sydney Campbell, Marc Ludwig, Paige Foley, Aldrick Dugarte, Josh Calder, Eliana Kavgadoulis, Tabitha Hey, and Xavier Aleba. They participated in the monthly Northern Alberta Improv League (NAIL) and hosted RapidFire Theatre as well as The Wildfire Festival. Blazing the trail for improv to come, Harry Ainlay's Team Sharks, (Paige, Sydney, Josh, and Xavier) took third place in the Nosebowl Tournament this winter and played in the Canadian Improv games with the entire team. At the end of May, Sydney and Paige won first place at the NAIL show and came in second in the overall finals. Big thanks to Coach Ben Fitzpatrick and supervisors Mrs. Taschuk, Ms. Rahmani, and Kyle Robberstad. The team wishes to express their sincerest gratitude for all the support from their fellow titans, teachers, parents, and friends.

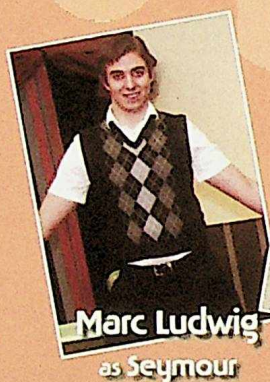

LITTLE SHOP OF HORRORS

In December of 2012, a combined team of over 55 student actors, musicians, and technicians took on the musical comedy, *Little Shop of Horrors*. Set in the late 50's, the play tells the story of Seymour, a nerdy flower shop worker, who has a fascination with exotic plants. Through his journey to find love and self-acceptance, he sacrifices his morals to win over his true love. From Skid Row bums to man-eating plants, this production was an exciting example of the talents Harry Ainlay students have to offer. The show was directed by Mrs. Taschuk with musical direction by Mrs. Kapadia and technical direction by Ms. Wolfe. Thank you to assistant director, Sarah Culkin, and Mr. Beck for their assistance with the production!

Congratulations to the cast, crew, and musicians for scoring thirteen Cappies nominations! And an extra special round of applause for Carin Li, Emery Seal, and Monique Roy for winning Outstanding Achievement in Props. Well done!

READY TO SHINE 3 FASHION SHOW

Kingsway Mall invited Fashion Studies students from seven Edmonton Public schools to put their design imaginations to the test. Designers created amazing fashion collections using fabrics from Estee's Fabrics & Notions. The challenge was to create a top, a formal dress, and a recycled skirt. Our students were challenged, but hard isn't in the Titan's vocabulary. In other words, the girls had so much fun while being able to watch their visions and drawings come to life on the catwalk. Watch out Titans: Ainlay has created a new batch of designers, and maybe one day you will be rocking in their designs.

BATTLE OF THE BANDS

This year four bands pounded out tunes at the 22nd Annual Battle of the Bands sponsored by Axe Music. Music covered genres from the 60's to the 13's with crisp vocals, and excellent guitar, bass, drum, and cello playing by these teen musicians.

ONE ACT FESTIVAL

Harry Ainlay's One Act Festival ran from April 9-12, 2013, adjudicated by Tara Brodin. There were 9 plays directed and produced by Drama 30 students, with performance crews from Technical Theatre, and with all actors from within our school. Of the 8 plays, Commencement and Mirror Game were chosen to represent Harry Ainlay at the Zone 8 City Festival, with Break a Leg selected as an alternate. Commencement was chosen to represent Harry Ainlay and Edmonton at the Provincial Drama Festival, May 9-11, 2013 in Red Deer. At the close of the performance, the audience was inspired to express their appreciation with an en masse standing ovation. The deeply touching theatre performance garnered four awards.

DANCE SHOWCASE

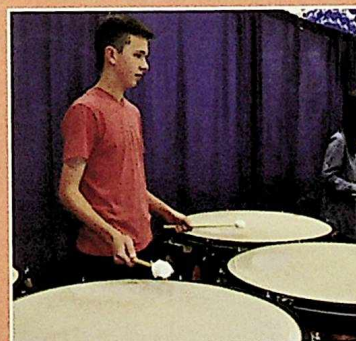

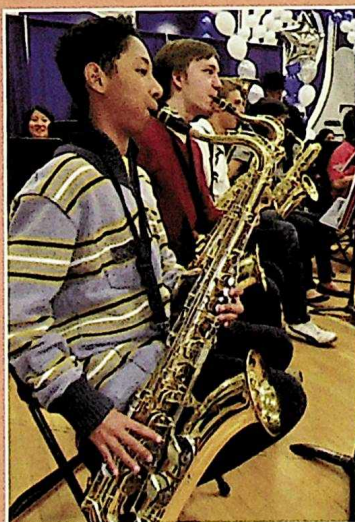

The Good Foot Dance Showcase is an annual performance that highlights the talented dance students in the dance program, the extracurricular Dance Club, and students who dance in the community. This year we had a wide variety of dances ranging from jazz and contemporary, to hip hop and break dancing. The students not only showed off their talents as dancers, but also as choreographers as many of the dances were created by them. This year we had about 55 dancers perform in the Showcase on May 14th and 15th 2013. We had amazing audience support and enjoyed the opportunity to feature our talented Ainlay dancers.

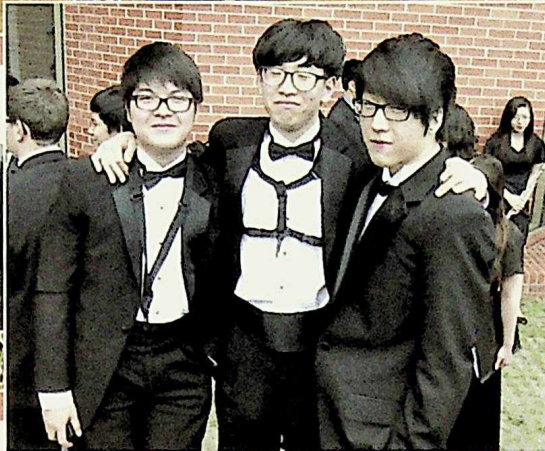

MUSIC CONCERTS

Highlights of the 2012-13 year in music include: Music Retreat at Camp Nakamun, the 32nd annual Big Band Bash featuring the four Harry Ainlay Jazz Ensembles, Concert and Symphonic Bands' "Superior" performances at the Alberta International Band Festival, EPS Night of Music, Spring Tour to Seattle with award-winning performances at the World Strides Heritage Music Festival, our 15th annual Winds at the Winspear concert, and numerous other occasions where our musicians entertained at Ainlay events. Many thanks to the amazing students for their passion for music, and their commitment to the music program at Harry Ainlay.

Grad Song: "My Wish" by Rascal Flatts

I hope the days come easy and the moments pass slow
And each road leads you where you want to go
And if you're faced with the choice and you have to choose
I hope you choose the one that means the most to you

And if one door opens to another door closed
I hope you keep on walkin' 'til you find the window
If it's cold outside, show the world the warmth of your smile
But more than anything, more than anything

My wish for you
Is that this life becomes all that you want it to
Your dreams stay big, your worries stay small
You never need to carry more than you can hold

And while you're out there gettin' where you're gettin' to
I hope you know somebody loves you
And wants the same things too
Yeah, this is my wish

I hope you never look back but you never forget
All the ones who love you and the place you left
I hope you always forgive and you never regret
And you help somebody every chance you get

Oh, you'd find God's grace in every mistake
And always give more than you take
But more than anything, yeah more than anything

My wish for you
Is that this life becomes all that you want it to
Your dreams stay big, your worries stay small
You never need to carry more than you can hold

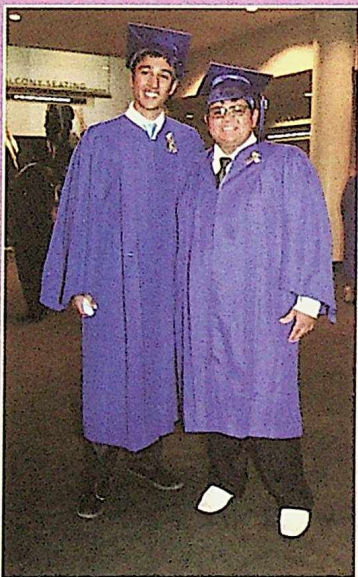

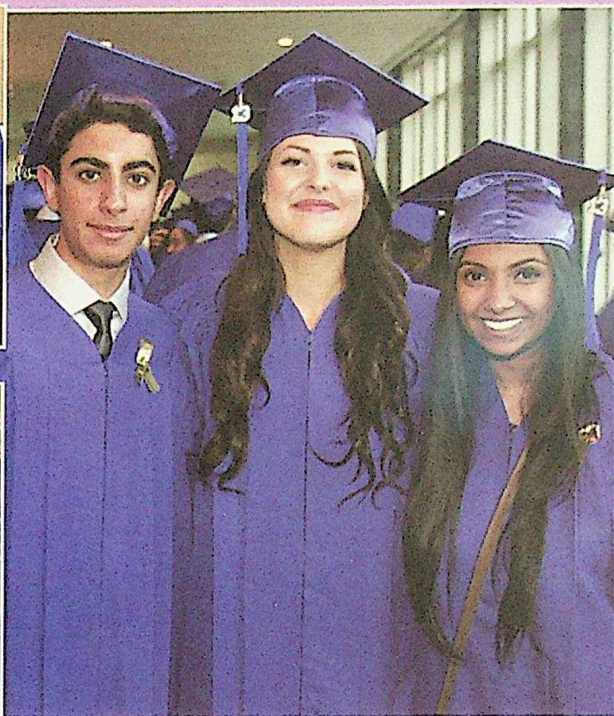

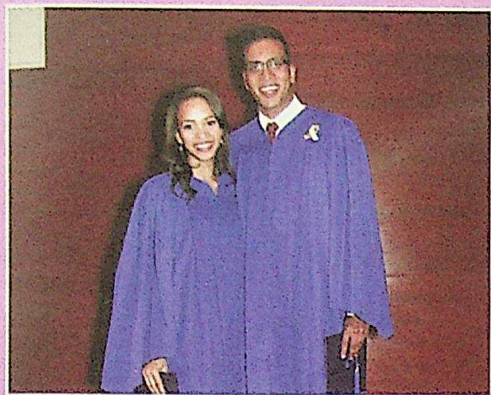

And while you're out there gettin' where you're gettin' to
I hope you know somebody loves you
And wants the same things too
Yeah, this is my wish, yeah yeah

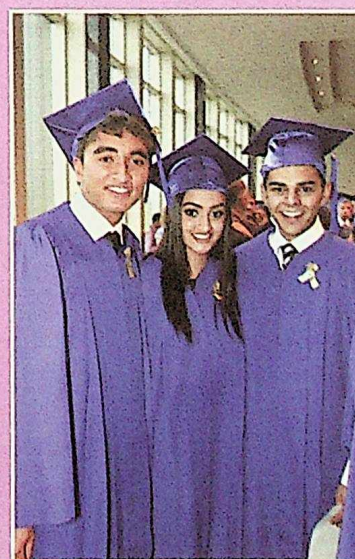

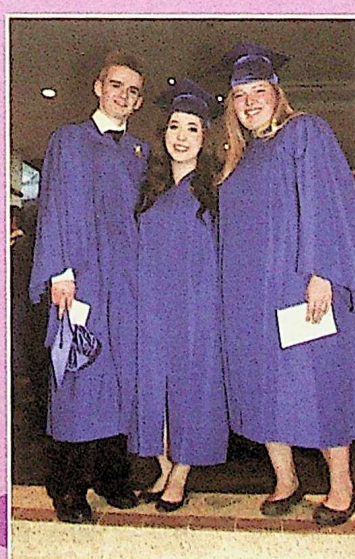

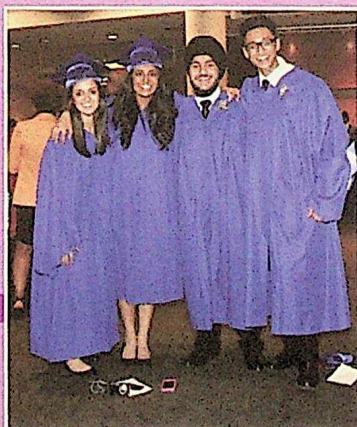

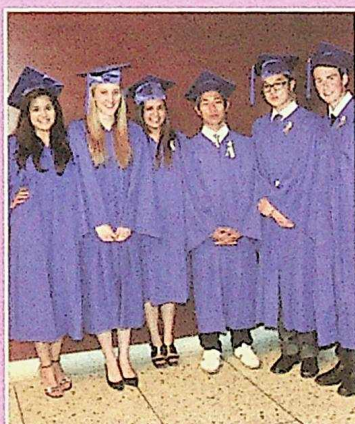

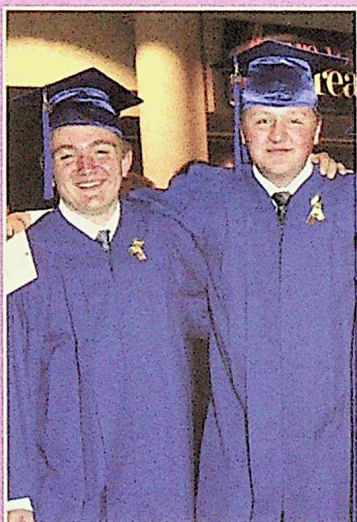

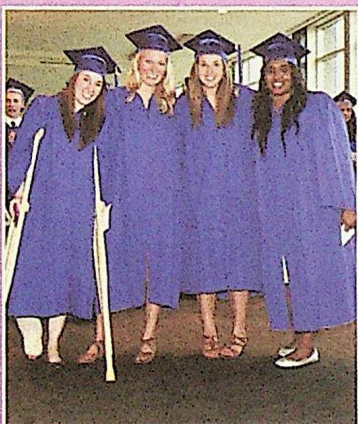

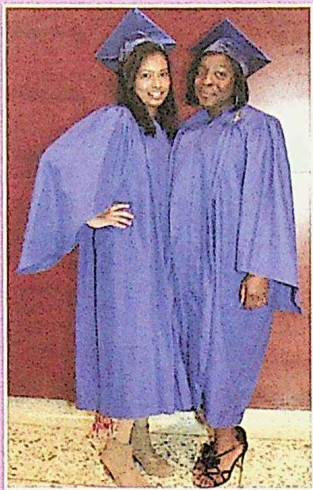

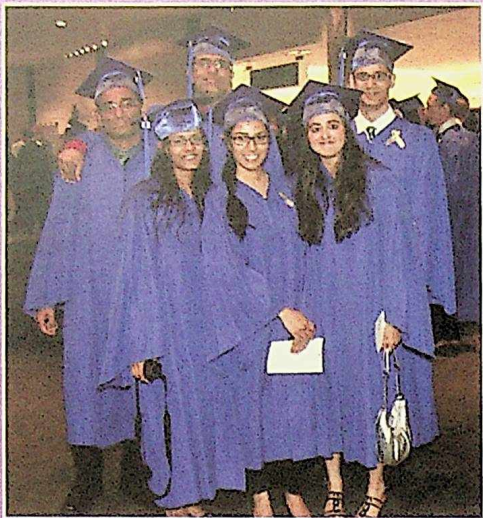

My wish for you
Is that this life becomes all that you want it to
Your dreams stay big, your worries stay small
You never need to carry more than you can hold

And while you're out there gettin' where you're gettin' to
I hope you know somebody loves you
And wants the same things too
Yeah, this is my wish
(My wish for you)

This is my wish
(My wish for you)
I hope you know somebody loves you
(My wish for you)
May all your dreams stay big

GRADUATION COMMITTEE

Wow, it's already over?! We know this must be the sentiment shared by all the parents, guests, staff, and especially Harry Ainlay's Graduating Class of 2013! Not only have the two extravagant evenings been a celebration, but all three years have been an unforgettable journey in this amazing school. For a few of us though (26 to be exact), the ceremonies were a long-time culmination of talent, skill, and time.

Once Upon A Time 26 individuals began a journey filled with long workdays, stress, budding friendships, and fun! It's hard to believe that it's already been 8 months since we all received our grad committee binders at the very first meeting. The 17-hour work days and 3 hour meetings have flown by in a blink of an eye. Whether it was sitting in Ms. Baker's office transferring gown sizes onto Excel, or manually figuring out the seating arrangement for 2200 people, the seemingly tedious moments have actually been small stepping stones that led us to the amazing graduation that we experienced.

The whirlwind of stress climaxed in the month of May with the grad committee scrambling to finalize all the last-minute details as the countdown began. 30 days. 29 days. 28 days. And then suddenly it was 1 day away. We took a deep breath, knowing that all that we had worked for was finally here. We were filled with excitement as we loaded the trucks and barely slept, anticipating one of the biggest days of our lives! The day of commencement flew by as set up and rehearsed (with the occasional power nap). The ceremony went smoothly and was unforgettable with amazing performers, proud parents, and, of course, the graduation of all 598 students! It didn't even hit us that graduation was occurring until the night was over and we were once again loading the trucks half-asleep.

Without the dedication of all 26 members of the grad committee, graduation would not have happened! Decisions from choosing napkin colors to finalizing performers were all made by your graduation committee. Thank you so much and good luck to the graduating class of 2013! Once Upon a Time you began your story, and now it's time to flip to a new chapter of your lives!

GRADUATION COMMENCEMENT NIGHT SPEECHES

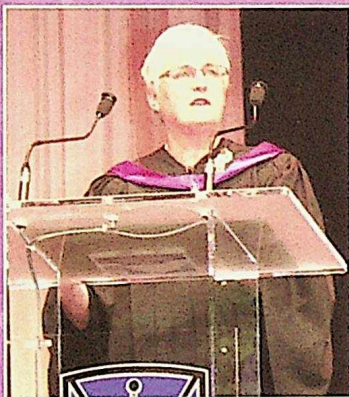

Guest Speaker Madame Christiane Campbell

... We have interacted with you over the past years and have seen what amazing individuals you are. In the years to come, our hopes, dreams, and wishes for you will be met through your positive choices and meritorious accomplishments. We have confidence in you. We know you will do right by us and the world because you are the light of the future.... We live in the best of all worlds. Let your passion and your heart guide you through this world and your life. Know that you are loved and cherished, and that the best part of life is not just surviving, but thriving and caring, with passion.... Merci beaucoup. Bonne soirée et bonne celebration!

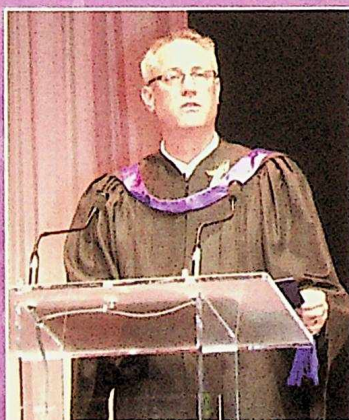

Valedictorian Address: Ting Ting Wang

... Three years at Harry Ainlay have reinforced the beauty and the pains of growing up. We have laughed, shed tears, and even left our footprints in every corner of this school. Perhaps three years ago, we arrived as a fragmented group with a sense of disquietude. But today, as Titans, we would like to emphasize how far we have travelled to bear this title. Today, graduation has transformed the ordinary into the extraordinary. But, in order to part with the past, we must create a new beginning. Today, this moment, we, the graduands of Harry Ainlay High School 2013, open the doors to the future, walk through with our dreams, and turn them into reality. ...follow your passions and never doubt yourself. Thank you, and congratulations to all the graduands of 2013!

Trustee Catherine Ripley

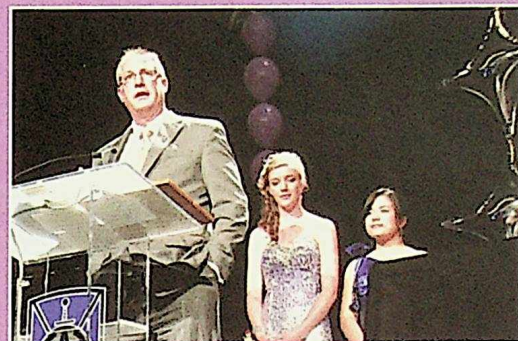

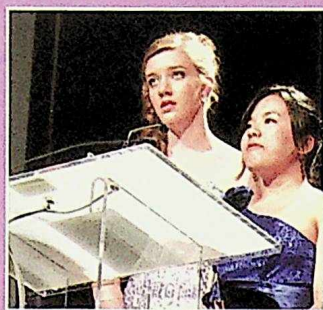

... High quality public education, which serves the needs of ALL students — regardless of culture, income, gender, faith, ability — doesn't happen by itself. High quality public education happens because of the people — the teachers, principals, custodians, educational assistants, administration assistants, maintenance workers, library and lab techs, accountants, and even Superintendents. ...High quality public education also happens because your families, your neighbours, your coaches, your employers all know how important learning is. ...We can't wait to see what positive change and leadership you will bring to Canada and to our world. All the best wherever your future takes you, and again, congratulations.

Principal's Address: Mr. Dave Jones

... Tonight is a special evening because we gather together in this room to celebrate the successes and accomplishments of these young women and men. These graduates successes and experiences would not be possible without the encouragement, love, and support they received along the way from all of you ...parents/guardians, step-parents, and siblings. The families here tonight richly deserve the pride they feel in the graduates. Along with your families, I also condemn, no, commend the dedication and commitment of my excellent teaching staff at Harry Ainlay. Graduates, I would ask you to give a round of applause to your loving, kind, and considerate families and our outstanding Harry Ainlay staff. ...Strive to inspire others and achieve your personal best. You are Titans for life! Congratulations and good luck to you all!

Maura: to the secretaries.

Marc: With the help of all the administration, the students were able to find their place in the school.

Maura: Every member of the staff helped to make the students feel as comfortable as possible, and taught them all the skills they'll ever need to know.

Marc: And for that, the students want to thank the staff for preparing them for the bigger world outside of school.

Maura: And for making their three years at Harry Ainlay the best they could be.

Marc: Without them, we'd be nowhere. We'd be stuck in grade 10.

Maura: Scared,

Marc: lonely,

Maura: confused...

Maura: Musical chairs so crazy, can't play that in the mezzanine.

Marc: Music blasting, people cheer. It's all good fun for all those who are here.

Maura: Aloha Ainlay, Scary Ainlay - all these cool activities.

Marc: Gotta make sure to pay all my student council fees. 'Cause man, it was only twenty dollars!

Maura: (Pay it) Welcome Back BBQ - gonna go and dunk some teachers in.

Marc: Eating food and drinking drinks all nearby the popcorn stand.

Maura: Then off to opening ceremonies - Tri-Prov and the TVT.

Marc: Culture Fest has food to eat and dances to the coolest beat.

Maura: I'ma join your dodgeball team. I'ma join your dodgeball team.

Marc: No for real - ask your teammates - can I join your dodgeball team?

Maura: (Thank you) Scooby Doo and Michael Phelps, different costumes, be the thing.

Marc: Then watching different performances. Man, those kids can sing.

Maura: They selling lots of root beer. I'm buying lots of root beer.

Marc: I bought a root beer float, man, and then I bought my friend one.

Maura: Hello, hello, my school is so mellow.

Marc: Y'all ain't got nothing on my Touch of Class outfit, no.

Maura: Remember both the flash mobs, making people say-

Marc: "Whoa!"

Maura: We got so much school spirit, they be like-

Marc: "Titans for life, yo!"

Marc: I'm gonna go to school,

Maura: carrying all my pencils in my pocket.

Marc: I'm gonna go to school,

Maura: carrying all my pencils in my pocket.

Marc: I-I-I'm loving Harry Ainlay High School.

Both: This school is so awesome! Yeah!

Maura: In the last three years, the world has changed as much as we have.

Marc: Changes occurring around the entire world!

Maura: The 2010 Winter Olympics were held in Vancouver where Canada won 26 medals of which 14 were gold, including the famous Sid the Kid overtime winner.

Marc: Oprah had her last show ever, but she still has her O Network meaning she will most likely continue to grow even more in wealth.

Maura: There was also the fairytale marriage of Prince William and Kate Middleton.

Marc: And now they are pregnant! And no matter the gender of the child, she or he will be next in line for the throne!

Marc: The first film of The Hunger Games also took the spotlight coming out last year!

Maura: We are all anticipating the second!

Marc: Everyone's life is also going to become a lot easier since we have now officially eliminated the penny.

Maura: That was some change that really needed to go.

Marc: In the United States, there was the re-election of President Barack Obama! Winning against Mitt Romney, Obama now takes on his second term.

Maura: Here in our own province, we've had political history as well! Alison Redford was elected as Alberta's first female premier.

Marc: And don't you forget this entire craze about the pope.

Maura: Right! For the first time in 600 years, the pope resigned. A new cardinal, Pope Francis, was chosen to fulfill the now open role.

Marc: Now a pope resigning, not everyone can say that happened in their grade 12 year!

Maura: Hey and we cannot forget that we survived the end of the world.

Marc: Here we are in 2013 and still going strong!

Maura: From one event to the next, we will always remember all the crazy things that happened in the past three years around the world.

Marc: And similar to the rest of the world, much has happened over the years in Harry Ainlay High School too!

Maura: I mean not only did the students get accustomed to living for three years without any sunlight, but they also became closer with one another.

Marc: With all the school spirit, the students began to feel like they really belonged.

Maura: From the crowded hallways, to the Anti-Bullying seminar in February, to every individual class, all the students began to develop a sense of family.

Marc: They learned and came together.

Maura: The students chose to involve themselves in school activities.

Marc: And they began to feel like a part of the school.

Maura: But I love high school.

Marc: Go Harry Ainlay!

Maura: And all those other schools,

Marc: they are so lazy.

Maura: But I love our school.

Maura: Hey, I just walked in.

Marc: And this is crazy.

Maura: But where are the washrooms?

Marc: I think they're down that hallway!

Maura: And all those other schools,

Marc: can't beat our Clubs Days.

Maura: We were very airy.

Marc: Have we really changed much since then?

Maura: Hey, I just walked in.

Marc: And this is crazy.

Maura: I'm really lost here.

Marc: Is class that way?

Maura: And all those big kids,

Marc: might help me maybe.

Maura: Find the rotunda.

Marc: That'll save me! Hey, I just walked in.

Maura: And this is crazy.

Marc: But I love high school.

Maura: Go Harry Ainlay!

Marc: And if I'm late to class,

Maura: teachers can't blame me!

Maura: And now I know that Harry Ainlay is just so fab.

Marc: It is just so fab.

Maura: It is just so, so fab. Go Harry Ainlay!

Maura: The opportunities in our school are unreal!

Marc: There were so many classes and events that really brought us together!

Maura: But their story is far from finished.

Marc: Their story will continue to write itself over the years

Maura: as they move forward with their lives,

Marc: as they continue to strive for their goals,

Maura: and follow their dreams.

Marc: But no matter how far they travel,

Maura: how much they learn,

Marc: or who they become,

Maura: they will always remember

Marc: the times

Maura: they had

Marc: at Harry Ainlay.

Maura: The End for now,

Marc: but only the beginning of a brand new story.

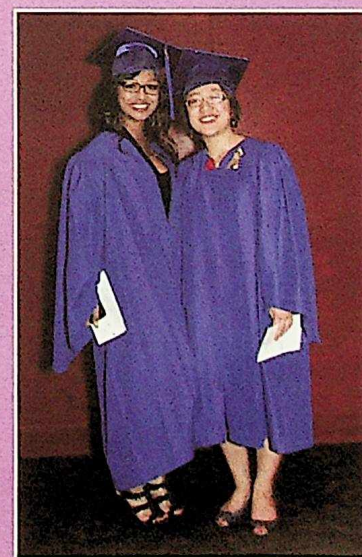

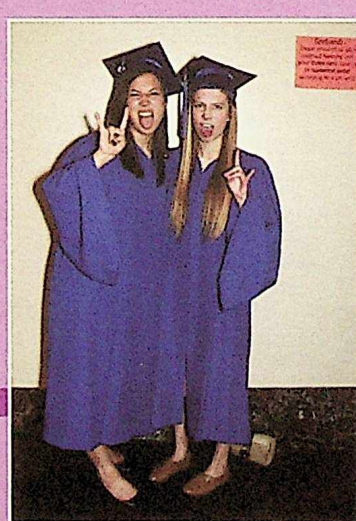

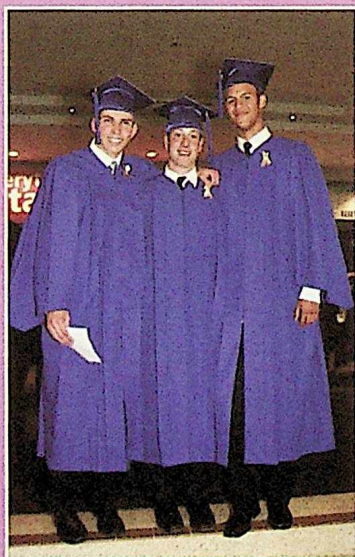

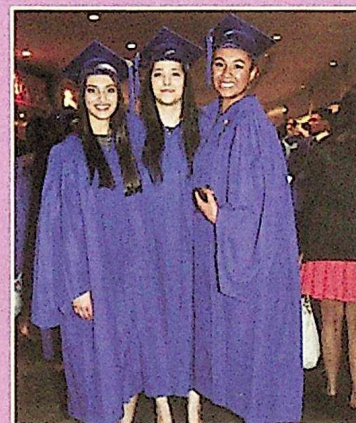

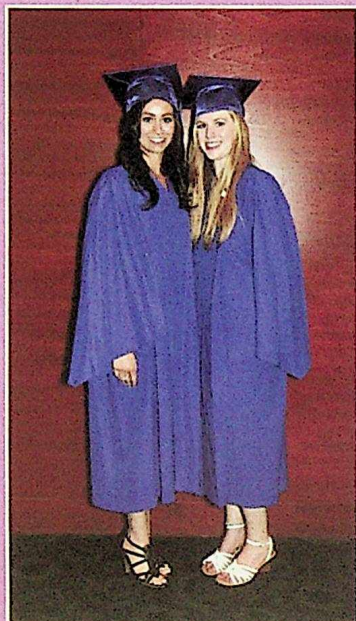

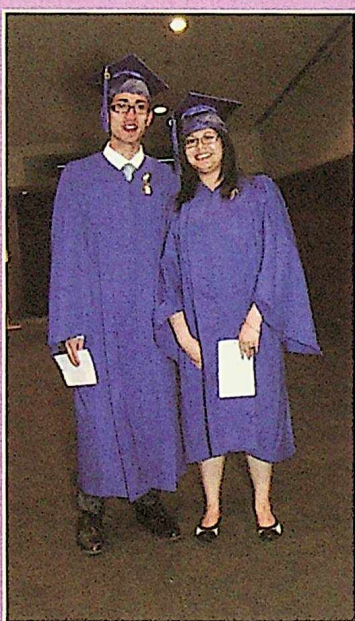

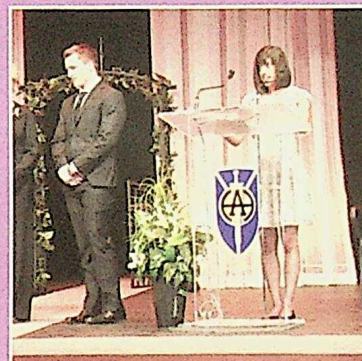

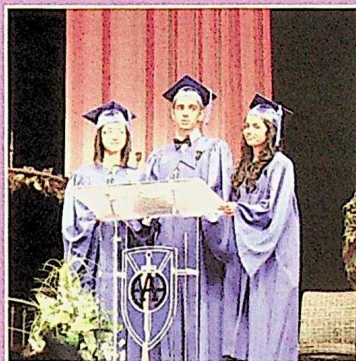

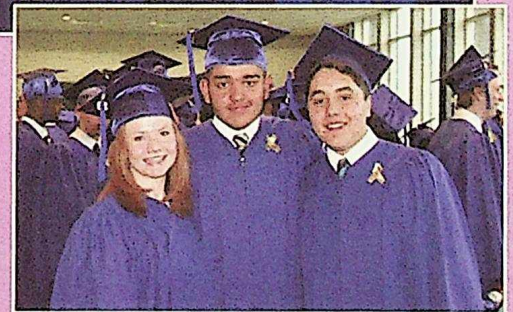

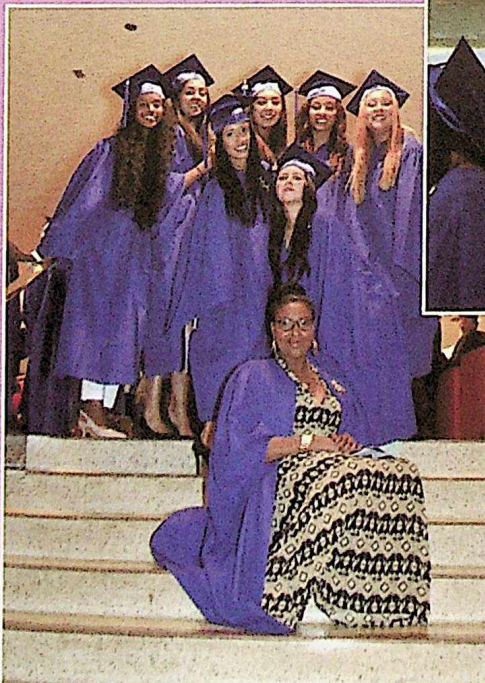

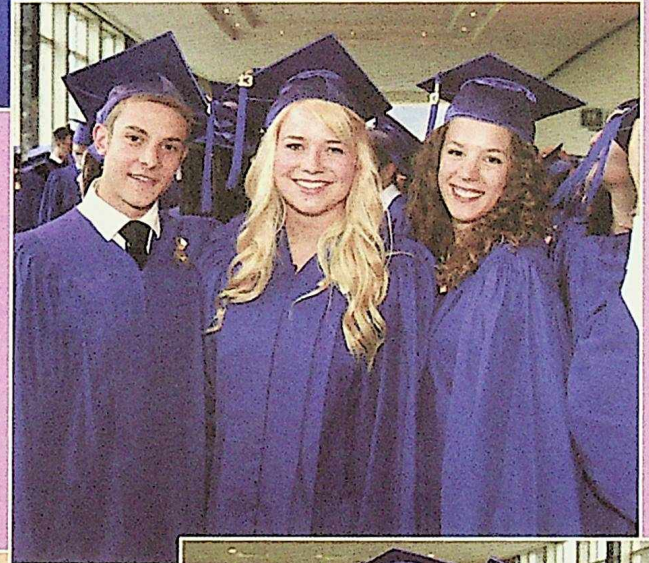

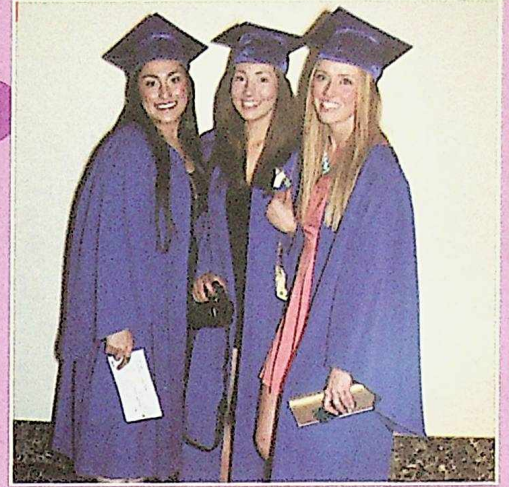

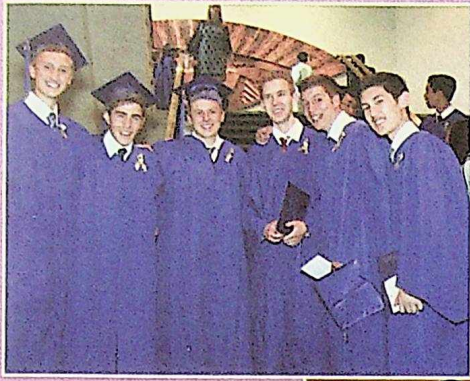

COMMENCEMENT

Once Upon A Time on Friday May 24, 2013, the Graduating class of 2013 walked through the arches on stage at the Northern Alberta Jubilee. The class of 598 graduands came together to reflect on the past 12 years of school. Our guest speaker, Mme Campbell, gave an inspirational speech asking each graduand to follow their true passions. Our Valedictorian, Ms. Ting Ting Wang, gave a truly wise and thought-provoking speech about our journey as graduands. The entertainers were phenomenal and created a special atmosphere for everyone. This night will forever remain in our hearts, and we can truly say it was Once Upon A Time...

GRADUATION BANQUET

This year's Banquet was a dream come true, following the theme "Once A Upon Time..." with enticing speakers, fabulous decorations, delicious food, and upbeat music. Our first speaker was Jared Schubert who provided a touching and sincere Toast to the Parents, to which his parents, Mr. & Mrs. Schubert, provided a heartfelt reply. Our wonderful staff was recognized for all they did for the graduating class by this year's Student Council President, Ramita Verma, to which our newly retired Librarian, Mr. Poole, replied with a humorous and genuine response. Our dinner was started by a Blessing by Maggie Green that reminded us how much we had to be thankful for. After our meal, we had a wonderful performance by Brianna Rosychuk, Kennedy Smith, and Dayna Walker who performed "Stay" by Rihanna. Once the program ended, the Graduating Class of 2013 danced the night away to music provided by Kapers.

GRADE 12 ACADEMIC AWARDS

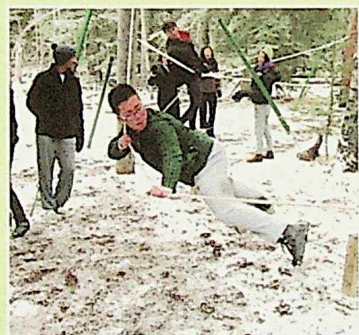

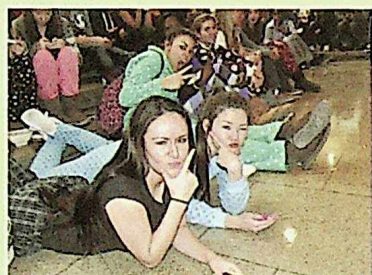

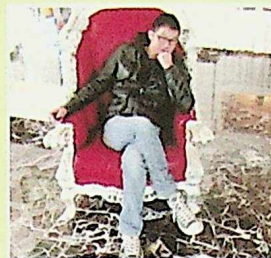

Ainlay students have a long history of achieving levels of excellence in all subject areas: Academics, Languages, CTS, Athletics, Performing Arts, and Music. When your school's Latin motto is "In Omnibus Excelsior," it tends to motivate you to reach your maximum potential (which also helps with entrance to post-secondary). This year's grade 12's were no exception with 70 students receiving Honours with Distinction (90-100%), 293 students with Honours (80-89%), and 87 students earning an Honourable Mention (75-79%). In addition, students also earned: French Immersion Diplomas, French Immersion Certificates, International Baccalaureate Diplomas, and International Baccalaureate Certificates. Awards that are dependent on grades from June examinations will be presented at a fall awards ceremony. On behalf of the staff, your parents, and your peers - congratulations on your exceptional accomplishments.

A NOTE FROM THE YEARBOOK STAFF

AIM HIGHER, SHINE BRIGHTER

No one can truly understand the sheer difficulty and the unbelievable amount of pressure that are inherent to such an enormous undertaking unless one has laboured on the yearbook themselves. Even though the amount of work is ridiculously mind-blowing for the few but deeply devoted members of the team, perhaps more daunting is the unnerving power that we hold to edit the year as we please and our great responsibility to represent it as accurately and inclusively as possible. We hope that we did 2012-13 justice.

With this in mind, know that when you leave the hallowed and windowless halls of Harry Ainlay that you will take with you, wherever you go, all of the memories and all of the knowledge gleaned from your three years here. You will recall all of the pitfalls, the stress, and the exams, and hold dear all of the victories, the laughter, and the friends. Once a Titan, always a Titan. This yearbook exists to help you remember that. Go fight your dragons. Go earn your fortune. Go chase your dreams. The entire world is yours for the taking if only you so choose. So step into the future and know that forever you will always have high school.

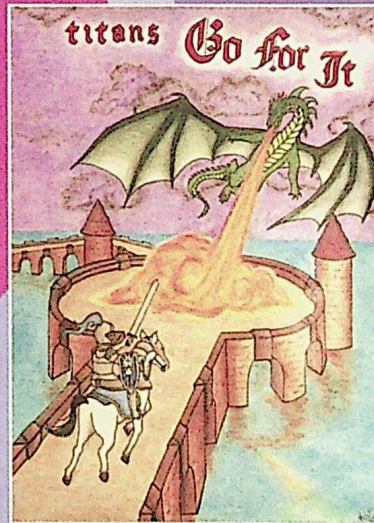

Yearbook Advisor:
Mr. K. Wright

TAKE ON THE WORLD

Signed,
The Yearbook Staff

This book would never have been brought into existence without our incredibly jovial and truly exceptional yearbook advisor – the one and only Mr. Wright who has been unwaveringly dedicated to Ainlay's Titan Tradition despite great adversity this year. No words could ever express the extent of our gratitude to him for all of his tireless commitment and phenomenal photography skills. We would also like to extend a massive thank you to every Titan who has procured a copy of our toil and/or beamed obligingly for our cameras. All of you lovely people are what make our school absolutely extraordinary. It has sincerely been a pleasure to document this unforgettable year and now the memories belong to us all. And that is precisely what a yearbook should be.
